Herd Health Protocol | Dr. Will Oliver, DVM & Associates

6:30 pm at the Betsy (Backroom).

Get a veterinary perspective on herd health protocol. Dr. Oliver will discuss liver biopsies and mineral analysis and allow time for questions.

JAN
08

Genomics 2.0 | Dr. John Paterson, Neogen Genomics

6:30 pm at the Mason Building - 131 S. Spruce Street

Technology in the beef industry keeps advancing to improve targeted outcomes. This session will discuss the practical uses of genomics and DNA technology in the cattle industry.

Please RSVP at least four days in advance to 406.266.9242 or broadwater@montana.edu.

If you have any dietary restrictions, need any special accommodations, or have questions about the physical access, please contact the MSU Extension Office in Broadwater County at 406.266.9242 in advance of your participation or visit.

Montana State University Extension is an ADA/EO/AA/Veteran's Preference Employer and Provider of educational outreach.
