

An aerial photograph of a vast, rolling forest landscape. The terrain is covered in dense coniferous trees, with some areas appearing in shades of brown and gold, suggesting autumn. The hills are layered, creating a sense of depth. The sky is a clear, bright blue. The text is overlaid in yellow on this background.

# RECENT AND HISTORICAL WATER USE STRATEGIES OF WESTERN U.S. CONIFERS

Tim Clute

Wednesday November 7

In the Byker Auditorium  
(Chemistry Biochemistry Building)

At 10 am
