

2019 GARDENING SERIES

This is a free gardening educational series open to the public. All age groups welcomed!

All of these events are held at the Townsend Senior Center: 516 Second Street, Townsend, MT 59644.

Getting the Garden Ready: From the Ground Up

Tuesday, March 19th at 6:00 pm

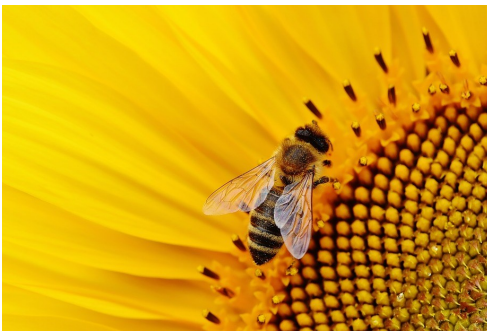

Is your garden site ready to go this spring?! This session covers garden preparation including: selecting your garden site, soils, weed and grass control, season extension methods, and container gardening.

Planting a Garden for a Successful Start

Monday, April 8th at 6:00 pm

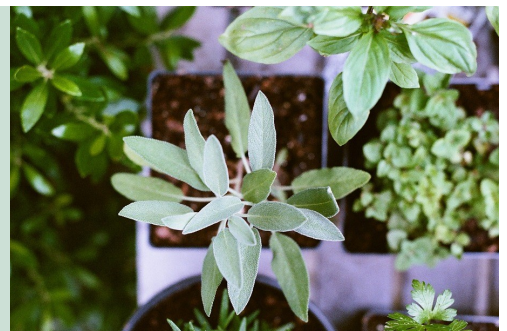

Your garden site is ready, now what?! Learn about selecting varieties for Broadwater County, taking care of transplants, companion planting and the importance of pollination. This workshop will also introduce the difference between organic and conventional gardening techniques.

Garden Maintenance and Growing

Monday, April 29th at 6:00 pm

The plants are in the ground, now it's time to keep them alive! This session will introduce integrated pest management, irrigation techniques and caring for plants. A special highlight will be on growing culinary herbs.

2019 Gardening Series provided by:

If you need any special accommodations or have questions about the physical access, please contact the MSU Extension Office in Broadwater County at (406) 266-9242 in advance of your participation or visit.

Montana State University Extension is an ADA/EO/AA/Veteran's Preference Employer and Provider of educational outreach.
