

EVAN J. BURNETT

AIA, NCARB, CDT, LEED AP BD+C

EXPERIENCE

- 2016-Present ZGF Architects, LLP – *Architecture, Interiors, Urban Planning – Seattle, Washington*
Title: Associate
Selected Projects:
- Lifesciences Research Lab and Workplace Headquarters for confidential client
Description: 120,000 GSF – 40% laboratory / 60% office – IBC Type 1A Construction
Scope: Programming-CD
Duration: 2 years [present project]
Role: Project Architect
Activities: Overseeing development of programming, schematic design, and design development; specification development; coordinating design consultants; client management.
 - Esterra Block 3 for Capstone Partners
Description: 454,000 GSF – Core and Shell Office – IBC Type 1A Construction
Scope: Construction Documentation and Construction Contract Administration
Duration: 3 years
Role: Project Architect
Activities: Exterior envelope detailing; structural and design-builder coordination; LEED v4 coordination; construction contract administration.
 - Low Carbon Data Center Study for confidential client
Description: Evaluation of low-embodied carbon material substitutions in client's standard data center schematics in order to affect change in development standards to meet client's embodied and operational carbon reduction goals.
Scope: Research and analysis
Duration: 6 months
Role: Project Architect
Activities: Managing lead designers and specification writers, evaluation of new and existing building materials carbon intensity using tools such as EC3, investigating supply chain implications with general contractor partner, presenting information to client stakeholders.
 - Animal Research and Care Facility for the University of Washington
Description: 97,000 GSF – Laboratory – IBC Type 1B Construction
Scope: Construction Contract Administration
Duration: 10 months
Role: Architect
Activities: Managed and responded to RFP's and submittals for the design team; consultant coordination; documentation support for waterproofing forensic analysis and redesign; specification review.
 - LEED Project Certifications
Activities: Managed the certification process of LEED projects: BioMed Realty [LEED v3 Gold, 122k GSF]; UW-Nano [LEED v3 Silver, 70k GSF]; Sacramento Valley Station [LEED v3 Platinum, 66k GSF]; UW-ARCF [LEED v3 Gold, 97k GSF]; Southport [LEED v3 Gold, 730k GSF]; 5+C [LEED v2 Silver, 730k GSF]
- 2015-2016 The Dahlin Group – *Architecture and Planning – Pleasanton, California*
Title: Job Captain
Activities: Developed drawings for single and multi-family residential IBC Type V construction.
- 2013-2015 The Integrated Design Lab – *Daylight and Energy Efficiency Analysis – Bozeman, Montana*
Title: Analyst
Activities: Performed daylight, electric lighting, and energy efficiency analysis.

EDUCATION & LICENSURE

- Licensure Architect – *Colorado, USA – License #00404613*
- Registrations NCARB – *Registration #86237*
Construction Document Technologist – *Certificate #2026884*
LEED AP BD+C – *Accreditation #10921327*

EVAN J. BURNETT

AIA, NCARB, CDT, LEED AP BD+C

Affiliations American Institute of Architects [AIA] – *Member since 2015*
Construction Specifications Institute [CSI] – *Member since 2017*
US Green Building Council [USGBC] – *Member since 2013*

Graduate Master of Architecture – *Montana State University – Bozeman, Montana – 2015*

Undergraduate Bachelor of Arts in Environmental Design – *Montana State University – Bozeman, Montana – 2013*

SKILLS

Architecture Building performance and sustainability
Programming/SD/DD/CD documentation
3D modeling
Design scheduling
AHJ permitting/land-use
Building code analysis
Designer and contractor coordination
Outline and three-part specifications
Material research and analysis
Construction contract administration

Computer Autodesk Revit
Autodesk AutoCAD
Rhinoceros 3D
Adobe Creative Suite
Bluebeam
AGI32 [Electric and Daylighting Analysis]
Climate Consultant
EC3 [embodied carbon analysis tool]
LEED Online
Newforma
Microsoft Office Suite

Leadership & Fellowship Seattle 2030 Roundtable – *Member – 2016-Present*
ZGF 2030 Challenge Project Reporting – *Seattle Office Coordinator – 2016-Present*
ZGF Project Performance Team – *Member – 2016-Present*
ZGF Continuing Education – *Seattle Office Coordinator – 2016-2019*
AIA Washington Code Committee – *Member – 2016-2018*
