

Pest Management Tour - Townsend Session

Wednesday October 9th, 2019

Broadwater County Fairgrounds | 4-H Building | 189 US Hwy 12 E

\$15 fee | Lunch provided

The 2019 MSU Pest Management Tour is designed as a last chance opportunity for private applicators to obtain recertification credits before the January 1st deadline in PAT region 2 (South-Western Montana). Three private credits will be offered for either the AM or PM session. A private applicator may also wish to attend both sessions to accumulate 6 recertification credits. Commercial/government applicator credits will also be offered.
