1. Look at the eight competencies above. Where do you feel you do well? Where do you see room for improvement?

2. What are some ways you can beef up some of your lower-rated competencies? What role would the following play: an on-campus job, an internship, volunteer or join a club, engage more in classes, attend networking events?

3. What is one thing you can do THIS WEEK that would help you be more competent in one or more of the eight areas?
