Sampling & Shipping
<p>300g of each malt sample is required. Samples should be sealed in a moisture proof bag and carefully packaged to prevent samples opening during shipping. Samples should be clearly labeled with <b>Product ID/Lot Code, Grain type, Malt Style &amp; Variety</b> - including more info about your sample helps us provide better data! Please ensure sample is representative of the lot.</p> <p style="text-align: center;">Ship to:</p> <p style="text-align: center;"><b>Attn: Malt Quality Lab</b>  <b>Montana State University</b>  <b>119 Plant Bioscience - P.O.
