## Academic Planning is ESSENTIAL for timely graduation:

Grades of 'C-' or better are required to satisfy requirements for pre-requisite and required courses in majors, minors, and for all university core requirements.

### Plan for strictly enforced pre-requisites

- You can see pre-requisites in DegreeWorks or in the online course catalog
- The computer WILL NOT let you register for a course for which you don't have the pre-requisite

### Complete your junior courses (300-level) before your senior courses (400-level)

#### Watch out for:

- Courses offered in only the *fall or spring semesters*
- More restricted day/time options
- Single section offerings
- Use MyInfo or DegreeWorks to check for semesters of offering & section numbers

### Non-business/non-economics electives:

- 40% of 120 (48 credits) required
- Use DegreeWorks to track your progress
- Don't leave them until your senior year!

**Jabs Residency Policy:** Of the upper-division credits required for business students, at least 18 credits and BGEN 499 (4 credits) must be taken in residence at the Jabs (not transferred from another institution).
