

My name is Alice Collins and I am the Bozeman Lead Organizer with Forward Montana Foundation (FMF). I would like to share with you an internship opportunity for your students with Forward Montana Foundation. FMF is the largest non-partisan civic engagement organization in the state, and each year we offer an in-depth community organizing internship to young Montanans in the spring, summer, and fall. The program this spring will run from January 19th to April 7th, 2021.

I know that the fall semester is coming to a close and your students will be leaving campus soon for winter break. We are in the early stages of our recruitment process for the Spring Internship and would be so grateful if you would be willing to share the link to our Internship Application with your students before the semester ends. Additionally, I have attached a short video made by the Summer 2020 Bozeman Intern Cohort that explains a bit more about our work.

If you have any questions about our internship program, please contact our Bozeman Field Manager, Emma Bode, at emma@forwardmontana.org.

Thank you in advance for your help with our internship recruitment!

Best,

Alice Collins
