

10/15/20 INFO SESSION

Internships Available at the MDT/MSU Design Unit

The Montana Department of Transportation is looking for current CE or CET students to join our Bozeman office as transportation design interns for summer and fall 2021. This is a unique opportunity to learn the road design process including survey, geometric design, CADD drafting, and hydraulics.

Learn if you qualify and how to apply by attending the virtual info session. E-mail cwelborn@mt.gov to receive a link to the virtual info session.

**CE & CET Students –
