### Cody Staff Engineer (EIT) new position

Come grow with us! Enjoy a rewarding career with a thriving company *and* find adventure right out your back door.

T-O Engineers is seeking a motivated EIT with 0-3 years of experience to join our Cody team. Candidates need to have an EI/EIT certificate as well as CAD experience. Duties will include various design tasks and preparation of drawings under the direction of experienced project managers, along with construction inspection and oversight. Strong computer and communication skills are a must.

At T-O we believe in providing the foundation for all employees to advance throughout their career while collaborating with a team of talented people.

*"T-O has about the best work-life balance I have seen in the consulting engineering industry— and I have worked with over 1,000 industry firms. T-O's culture is truly special— great folks, genuine care and respect, and manageable hours all combine to continually enhance T-O's success."*

*Mark Goodale, Principal*

*Morrissey Goodale LLC— Leading Management Consultant to the AEC Industry*
