

# GEOTECH ENGINEERING and TESTING

  
ACCREDITED  
CERTIFICATE #0075-01  
#0075-02

---

*Geotechnical, Environmental, Construction Materials, and Forensic Engineering*

April 19, 2022

Attention: Chairman of Civil Engineering Department:

We are looking for a staff geotechnical engineer. We are hopeful that you can help us with some of your graduates.

Geotech Engineering and Testing (GET) is an expanding geotechnical and materials testing engineering firm. GET was founded in 1985 and has a staff of about 60 engineers, technicians and support staff. We are looking for recent graduates in Civil Engineering with Ph.D. or Master's Degree specializing in geotechnical engineering. The candidate should have good communication skills and exhibit strong technical and administrative skills. GET's benefit package includes competitive salary, vacation time, medical insurance and a retirement plan. Furthermore, we help the candidate with his/her immigration status (if required). For more information on our company's employment opportunity, please visit our website under the employment section at [www.geotecheng.com](http://www.geotecheng.com).

I have attached a flyer that can be exhibited on a bulletin board for the students to see.

We would appreciate receiving resumes from your graduating students. The resumes should be sent to:

Geotech Engineering and Testing  
17407 US Highway 59  
Houston, Texas 77396  
Attention: Ms. Cassandra Torres
