

CIVIL ENGINEER

Opportunity to work with a progressive engineering firm and grow your expertise, solve interesting problems, and work with great people.

WWC is a progressive multi-disciplinary engineering firm serving the Rocky Mountain Region since 1980. We are seeking Civil Engineers to join our Laramie, Wyoming team. We are an independent, employee-owned firm with over 90 employees. Our client focus is to provide innovation, quality, and value to every project. We have an employee centered culture. We strive to provide employees opportunities for professional growth, whether that's deepening an area of expertise or learning something new. We specialize in Civil/Site, Environmental, Land Development, Mining, Municipal, NEPA, Oil & Gas, Planning, Roads/Bridges, Water/Wastewater and Water Resources services.

Position Summary:

- Mentor and lead associate engineers in completion of design tasks as assigned by project managers.
- Assist project managers in and/or lead project development efforts, including marketing, proposal work, and regular client contact.
- Develop engineering design plans.
- Develop specifications, cost estimates, and bid packages.
- Perform regulatory permitting for projects including State, EPA, U.S. Army Corps of Engineers, and other agencies as required.
- Lead project decisions regarding technical approaches, cost, and scheduling.
- Understand civil engineering concepts and apply those skills to every design assignments.
- Perform construction administration duties including inspection, daily photos, reviewing contractor pay applications, quality assurance checks, preparation of daily field logs, and other duties as assigned by the project manager.

Requirements: Professional Engineer with at least 3 years' experience in Civil Engineering. Bachelor of Science Degree in Civil or Environmental Engineering; valid driver's license and insurable under WWC's vehicle insurance; strong background in computer applications; working knowledge of AutoCAD; progressive, self-starting individual with good communication skills.

Compensation: \$65,000.00 - \$75,000.00 per year

Competitive salary and benefits based on experience. Benefit package includes generous holiday and personal time off; flex time; relocation allowances, health, dental, and vision insurance; a 401K/profit sharing plan; and bonus potential.
