

CIVIL ENGINEER

This is your opportunity to expand your career with one of the most progressive engineering firms in the Rocky Mountain Region.

WWC Engineering is seeking Civil Engineers to join our Sheridan, Wyoming team. WWC is an independent, employee-owned professional services firm. We have over 90 employees and have served the Rocky Mountain region since 1980. Our client focus is to provide innovation, quality, and value to every project. We have an employee centered culture. We strive to provide employees opportunities to progress professionally in their area of expertise or diversify their experience if they desire to grow beyond that expertise. We specialize in Civil/Site, Environmental, Land Development, Mining, Municipal, NEPA, Oil & Gas, Planning, Roads/Bridges, Water/Wastewater and Water Resources services.

Position Summary:

- Manages engineering design tasks including essential design documents and developing engineering design plans.
- Stays current in general knowledge of AutoCAD Civil 3D to perform engineering design
- Mentors and develops junior engineers.
- Manages client relationships and successfully leads project teams in developing, procuring, and executing projects.
- Responsible for project decisions regarding technical approaches, cost, and scheduling.
- Manages staff that perform construction administration duties including inspection, daily photos, reviewing contractor pay applications, quality assurance checks, and preparation of daily field logs.
- Develops specifications, cost estimates, and bid packages.
- Performs regulatory permitting for projects including State DEQ, EPA, U.S. Army Corps of Engineers, and other agencies as required.

Requirements: Highly skilled at managing projects and a minimum of 4 years' experience in Civil Engineering. Bachelor of Science or Master of Science degree in Civil Engineering. Must be a Licensed Professional Engineer in Wyoming or have the ability to acquire it. Some travel is required and must have a valid driver's license.

Compensation: \$75,000 - \$95,000 annually

Competitive salary and benefits negotiable based on experience. Benefit package includes generous holiday and personal time off; flex time; relocation allowances, health, dental, and vision insurance; a 401K/profit sharing plan; and bonus potential.
