

Academic Advising Luncheon

10/13/17

Math Initiatives 4 Success

Led by Beth Burroughs, Professor and Department Head of Mathematical Sciences, and Rich Rehberger, Faculty and Department Chair for Mathematics at Gallatin College, our Fall Advising Luncheon will inform participants about recent initiatives designed to support student success in math such as

- Co-requisite and accelerated math courses
- Updates to the MPLEX and math placement levels
- Resources available to support student success

SUB Ballroom B
Lunch served at 11:45
Presentation and Discussion from 12-1
