## 2011 TOUR

### WHO'S YOUR FARMER?

Own your food, drive your future!

# Do you eat food?

Do you know  
where the food  
came from,  
who grew it  
and how it was  
produced?

**Join us for a talk, "Generation Organic: Own your food, drive your future!" in the Procrastinator at 11:00 on Thursday, September 29.**

Stop by the **Gen-O Tour bus** at **Town and Country** (next to Campus) to meet Gen-O, ask questions, and conspire with farmers, activists and other leaders in the movement on how to sow a sustainable future for all. Play the 'Wheel of Farming' and get some cool swag, too!
