In addition to the events that PACE took the lead on, they also partnered with many university offices and student organizations to support their programming efforts. Partners include: Residence Life, Athletics, Office of Health Advancement, Recreational Sports and Fitness, the MSU Library, and more.
The MSU Office of Student Engagement (OSE) provides and facilitates student engagement opportunities for MSU students through a variety of programs, events, services, and activities. It serves as the hub for students interested in connecting with their fellow Bobcats through the Associated Students of MSU (student government), student organizations, campus programs and events, and engaging in service to the community.

INTRODUCTION
The OSE fosters meaningful engagement opportunities that challenge, support, and empower students to be leaders on campus, in the community and beyond.

VISION
Transform students through life-changing engagement experiences.

MISSION
The OSE focuses on intentional access and equity in programs and events, services, and opportunities for students.
