Accessing your Adobe Account

1. Go to express.adobe.com.
2. Next, select Log In with School Account.
3. In the email field, enter @student.montana.edu. Then, hit Continue.
   **Note:** There is no need to enter your full email address or a password at this step.
4. You will be redirected to the Montana University System login page. Enter your NetID credentials and click Login.

Create a New Project

1. Click the plus button to create a new project.
2. Start from scratch or search for auto-generated templates to create graphics, documents, web pages, and videos.
3. Within your project, you can add icons, photos, fonts, backgrounds, animation, music, themes, and more!
