

Broadwater County 4-H

First in Youth Development Since 1902

What is 4-H all About?

4-H encourages the positive development of youth, changing their lives and our community for the better. To invest in 4-H is to invest in the future. Research shows 4-H youth excel beyond their peers. The structured out-of-school time program provides learning and leadership experiences paired with adult mentors. This experience plays a vital role in helping youth achieve success throughout their lives. Head, Heart, Hands, and Health are the four H's in 4-H, and are the four values members work on through fun and engaging programs.

Head - Managing, Thinking • **Heart** - Relating, Caring

Hands - Giving, Working • **Health** - Being, Living
