

Real Colors is a dynamic workshop experience using a research based temperament test. The workshop provides participants with the skills to understand human behavior, motivators specific to each temperament, and improve communication.

Request a Real Colors Training for your business or organization today!

Real Colors is a research based course taught by local certified facilitator, Allison Kosto. The course is taught in a fast, fun and interactive environment. Using Real Colors Personality Instruments, participants will:

- Discover their personal strengths and learn to recognize those of others.
- Learn how to build rapport with people.
- Learn effective methods of communicating with different people.
- Learn how to apply Real Colors principles to the workplace and personal relationships.

Since 1993, over 1.5 million people in businesses, professional organizations, universities, and government agencies have used Real Colors and its principles to improve and enhance their personal and professional relationships. The techniques learned through Real Colors can help bring about lasting, positive change.

“Real Colors has provided a paradigm shift for our organization! Since implementing it, communication has improved 200%, which has led to better team work, understanding, and personal relationships. It’s an ongoing training source and our staff love it!”
Wanda Walker,
Community Action of Minneapolis
