This fundraiser is for the Leaders Education Fund which pays for 4-H Leaders to attend trainings, Shooting Sports, Leaders Forum, Rec Lab, etc.

Members bake, decorate and donate desserts that are sold for $10 each. Over the last couple years, I have noticed people like a variety of deserts along with the cakes, such as cookies, brownies, cupcakes, etc...I also think pie might do well! If you have a member interested in cooking up something other than a cake, please fill free to do so.

We ask that each club bring a minimum of 5 cakes/cupcakes to the Extension Office on Tuesday Feb 13th by noon. We do not have anywhere to refrigerate them, so waiting until Tuesday to deliver them is best, but we will work with anyone who cannot make Tuesday work.

Please make sure to wrap/cover your cakes well so they do not dry out between us getting them and them getting delivered. Using toothpicks or disposable containers with lids help to keep your designs from getting ruined before delivery.

More cakes are welcome, we have no trouble selling 70-75 cakes and if we have extra, we give them as a thank you to local businesses that support 4-H.

If you are free Wednesday morning at 9:00 AM
Your help delivering cakes in Lewistown, would be much appreciated!
One or two hours, the more volunteers we have the less time it takes.

Please let the office know if you would be willing. 406-535-3919
Ambassador Yearbook
Thank you to those that have sent in pictures and information. We are receiving a great response, and we are excited to get this yearbook underway. Continue sending pictures throughout the year of what your club’s activities are and your club members.

Ambassador Toiletry Drive
The toiletry drive went well. We had a great number of items to take to both the Council on Aging for the elderly and to the Community Cupboard for our younger community members. Thank you to Christina Busy Bees, Moore Barn Stompers, and Winifred Mustangs for your generous donations. The Ambassadors will be in contact to have an ice cream party to celebrate!

Ambassador Applications
March 1st
We will be continuing to accept ambassador applications through March 1st. We have received a few applications and have two spots open. If your kiddos or someone you know would like to get involved with our ambassador program, please have them contact the extension office or send in an application. We would love to work with you.

Traveling Farm
April 1st- 8:45am - Snowy Mountain Lanes Bowling Alley
Help Needed!
Traveling Farm is led by Hailey Gallagher from the Creative Critters Club. Hailey is one of our Fergus/Petroleum Ambassadors and she leads any kids who would like to come with any of their pets around several of the nursing homes in Lewistown to show off their pets/fair projects. Any pet that can be controlled is welcome to come!
There is no sign up for this, just meet the group at 8:45am in the parking lot of the bowling alley and at 9 am you will be on your way!
If you would like to participate either with an animal or come and share your projects, please contact Hailey Gallagher at 406-366-2549 or the Extension Office at 406-535-3919 to sign up. If you do not have an animal still come, we always have extras. This is another great opportunity for community service and touching the lives of those that can no longer have their animals at their side.

Farm Safety Day
April 9th - 9am - Livestock Pavillion, Lewistown Fairgrounds
Help Needed!
Farm Safety Day is led by our Fergus/Petroleum Ambassadors and the group leader this year is Lexie Whichman.
This day is put on for local and rural schools in the Central Montana area. They take 1st and 2nd grade classes around to different stations where they learn about different aspects of farming and ranching and how to be safe when they come into contact with any of the different scenarios presented.
We have 2 sessions for this day, and we get about 100 students for each session.
If you would like to lead a group or help out in any way, please contact Lexie at 406-366-6564 or the Extension Office 406-535-3919 to sign up. This is a great opportunity to do some community service and make an impression upon the younger generation.
Public Speaking & Gavel Games
March 24th- 12:30pm - Boys & Girls Club

We will begin at 1pm and should finish around 4:30pm at the Boys and Girls Club. We ask everyone to be there by 12:30pm to get checked in and be ready to go by 1pm

Please remember that All 4H Members must fulfill their speaking/demonstration requirement before county fair. You can either participate in this speaking contest or present at an official 4-H Club meeting.

At the beginning of January four of our senior 4-H girls, Emma Farley, Hailey Gallagher, Justine Curry, and Maggie Barth earned the opportunity to compete in Parliamentary Procedure at the Western National Roundup in Denver, Colorado. Parliamentary Procedure is the process of running a business meeting in which motions are proposed, amended, approved, and defeated with specific rules to enable organization and orderly resolutions. Each of the girls filled a position; President, Vice President, Secretary or Treasurer and then carried out a business meeting. During the competition they are required to work through problems such as tabling a motion, rescinding a motion and/or amending a motion to name a few. These girls have been working with their coach Cassandra Cox (4-H Alumni) on going to nationals for at least the last four years. Though they placed fourth they walked away knowing that they did well and achieved their goal in competing at the national level. This was a wonderful adventure for the girls. They have gained skills they will use throughout their life and made friendships they will have forever. The girls started their career competing at our county level (County Public Speaking Day) in what we call Gavel Games (Parliamentary Procedure). Throughout their parliamentary 4-H career, they have taught many workshops throughout the state and presented their parliamentary procedure to our 4-H community. They also presented their parliamentary procedure (Gavels Games) for the extension agents across Montana in hopes they start implementing gavel games in their counties. These 5 strong young ladies have shown leadership, determination and what it means to make the best better.
