Old Business

We have been getting more entries for the calendar fundraiser. Please continue to tell your club members and leaders to enter. We are also getting a decent number of recipes for the cookbook but will need more in certain categories. Allison will categorize everything we have up to this point and send out a request for sections with fewer recipes. Yvette got a quote for $5.19/book from the school and Sarah found an online website that was similarly priced. Sarah said she would ask Yvette how we need to format the cookbook for the school and we would decide which place to print based on which would be simpler to format. The goal is to have the book completed and ordered by the end of April. Sarah contacted Andy about a shooting sports competition this summer. Andy said that he and Bryan Mauws applied for a grant and wanted to host a competition this summer and would keep Sarah updated. The committee also discussed a few more ways to organize projects at the Fair. Corry let Sarah know that she has a few displays that could be used if needed. Chris said that Pat and Tristan would be able to make ladders to display quilts. We will continue to brainstorm ideas leading up to fair. The set up for the indoor section at fair will be on July 20th from 5:30 – 7:30. Lastly, Michelle confirmed the auctioneer for the indoor project auction.
