

## 4-H Market Livestock Sale Commitment

Office  
Copy

1. Criteria for members to participate in all 4-H livestock projects are as follows:
  - Be in good standing with their club.
    - “good standing” = “in compliance with club by-laws”
  - Comply with all educational expectations.
    - attend Livestock Quality Assurance Training (LQA/Seminar) & as required
    - A parent or guardian must also be LQA certified  
Name of **Parent or Guardian** that is **LQA Certified**: \_\_\_\_\_
    - have animal tagged & weighed by cut-off dates,
    - have current records for livestock and one other project before Aug. 1
    - turn-in all required paperwork (*livestock commitment form, drug withdrawal form, buyer’s thank you forms, etc.*), and.
  - Must comply with age requirements.
    - Regardless of locality of livestock housing and/or feeding applications, as long as the 4-H member is at least 8yrs old by Oct. 1 of the project year (10yrs old for beef), and no older than 18yrs old or still in high school by Oct. 1 of the project year, they are eligible to participate.
2. All members will attend Livestock Quality Assurance Training (LQA) training during their first registered year as a Junior member in the livestock project and again during their first registered year as a Senior member. LQA training is obtained by attending one of the species specific trainings given throughout the year.
  - In the event that a member receives a white ribbon in Market Class or if the animal is over or under weight at weigh-in at fair, the member shall be required to attend LAQ again before re-enrolling in a market livestock project the following year and meet with the livestock committee of that species.
3. **All members will attend or present at least one Flathead County 4-H species specific clinic;** however, ALL 1<sup>st</sup> year market project members must attend a Livestock Quality Assurance Training (LQA) specific to their market species.
  - For ex: if you are new to beef this year, you must attend a beef LQA, even if you’ve completed lamb or hog projects during previous years. Anytime you’re working with a species for the first time, you must attend an educational training on that species.
4. The Youth Livestock Program *Commitment to Excellence & Drug Withdrawal* forms must be signed and returned to the Flathead County Extension Office on or before August 1.
5. A 4-H Project forms & Financial Journal (on market animal) must be completed to date (current) and checked off by your livestock leader or by Extension Office Staff before August 1<sup>st</sup>. Members will complete records on one other project and turn-in current records on both project to their club organizational leaders before Aug. 1. The club leader will update Extension office regarding both projects before Aug. 1.
6. Project members are required to care for and feed their animals while housed and shown at the NWMT Fair until 6:00 p.m. on the last Sunday of the fair week.
7. On the first Monday of the fair, livestock will be weighed in the Trade Center Building. If a project member is unable to be present with their own animal, arrangements should be made for someone else to take their animal across the scale.
8. Except for in the event of extreme circumstances (and with prior-approval of the 4-H Agent) livestock project members must show their own animals in the Market Class and Showmanship Class in order to sell their animal at the Saturday Livestock Auction. Grand, Reserve, Purple, Blue and Red ribbons sell; white ribbons do not sell.
9. All members are to follow a dress code when showing in Market Class and Showmanship Class of White Shirt and Black Pants.
10. A sale fee must be paid to the Kalispell Chamber of Commerce on weigh-in day at the sale fee table in the Trade Center, before your market animal can be officially weighed. Fee will be determined by the Kalispell Chamber of Commerce and documented in the NWMT Fair book.

11. Lambs must weigh between 110 and 160 pounds. Hogs must weigh between 220 and 295 pounds. Beef must weigh between 1,050 and 1,550 pounds. Under or over weight animals are ineligible for the Market Class and will not be sold at the Market Livestock Auction.
  - Under/overweight animals may be shown in the showmanship class and in the feeder market class at the Fair.
12. Members can tag up to two market animals in their project(s); however, only one of their tagged market animals can be taken to the fair. In all cases, members may tag up to 2 animals in their project. For example: 2 hogs, 2 sheep and/or 2 beef. But they will need to declare their primary and also their secondary animal on the ear tag form. For ex: If a family has 5 kids they are able to tag 2 hogs for each kid; however, if they cannot afford 2 for each, they can tag fewer. If they tag fewer, the kids will need to decide who is going to use which back-up hog.
  - Livestock records should be kept on each primary and back-up animal.
13. Market livestock buyers must be contacted as soon as possible following the sale. At that time the official sale picture and a thank you gift should be presented to your buyer. The Thank You Documentation form must be signed by your buyer and returned to the Flathead County Extension Office by December 1.
14. I understand that even though my animal makes weight that I'm not guaranteed a place in the livestock market sale. Judges will make that decision based on genetics, feeding and overall project management.
15. I agree to act with dignity and grace regardless of the outcome of my project. I will accept the judge's determination whether I view it as good or bad.
16. I understand this is a learning experience and I agree to accept the outcome, even if I disagree with the evaluator's opinion.
17. Failure to act appropriately by my parent or me will result in my removal from the event and will also prohibit me from attending future events.

\*\*\*Continued participation in the market sale will be greatly influenced by the compliance of the above criteria.\*\*\*
