Members At Large

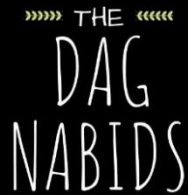

Member At Large

New to 4-H? Not sure what club fits your style? Participating in a specific 4-H club is not a requirement to participate in 4-H projects, but we highly encourage joining a Club. Clubs provide members a great opportunity to get more involved with their communities, leaders, and group activities.

If you opt out of joining a Club, please register for your projects under “**Member at Large**” when completing your 4-H Enrollment Clubs page on ZSuite.
