GENERAL RULES FOR 4-H & FFA

1. Entries are open to all 4-H and FFA members in good standing in Gallatin County. **4-H Members must be enrolled in their Market Animal Project by the animal possession date and other projects by March 1 to exhibit at the Fair.** Any 4-H family from another county moving to Gallatin County may transfer their project(s) after March 1.
2. **Deadline for 4-H fair entries is Friday, June 16th, 2023, 5:00 p.m. ABSOLUTELY NO ENTRIES ACCEPTED AFTER THE DEADLINE! NO EXCEPTIONS!!!**
3. Fair Entries are accepted online only. Information on how to register will be sent to all enrolled families.
4. To exhibit, all 4-H exhibitors must interview in each category they have a project in: Horse, Livestock/Small animal and/or Indoor projects. If an exhibitor does not interview, they will not be allowed to exhibit their projects at the fair. All exceptions must be preapproved by the 4-H office.
5. Record books are required to accompany each 4-H member to their interview(s) to be reviewed by the judge. **All 4-H members must turn in their record book to the Extension Office by June 28th at 5pm to be reviewed and signed by project leaders or committees.**
6. The **Danish System of Judging** will be used (see page 11 for more details). All eligible youth will receive blue, red, or white ribbons. On competitive basis purple ribbons, rosettes and/or prizes MAY be awarded at the judge's discretion. Cloverbud entries are non-competitive & receive only green participation ribbons.
7. All 4-H and FFA **exhibits/animals must remain on display** until time stated in Fair Schedule. This includes taking exhibits/animals home at night. Exceptions may be made in the Horse Projects—please read the Horse Project section of this Fairbook for details. Removal of exhibits prior to end of Fair will result in forfeiture of all premiums earned & stall deposits unless otherwise arranged.
8. **Liability Statement:** Big Sky Country State Fair and Gallatin County 4-H Management reserves the right to interpret all rules and regulations and to arbitrarily settle and determine all matters, questions, and differences in regard thereto, arising out of and not covered by them. Any person who violates any of the rules as published in the Gallatin 4-H/FFA Fairbook will forfeit all privileges and premiums and may be subject to such penalty as ordered by Gallatin County 4-H management. Submission of online entry serves as agreement from exhibitor to comply with this statement: In the event of General and Department Special Rules, the Department Special Rules will govern. Big Sky Country State Fair, Montana State Extension, Gallatin County Fairgrounds and Gallatin County, MT, their employees, agents, board members, or volunteers thereof will assume no liability for injury, damage, loss, death or theft, sustained by person, property or livestock of any exhibitor, exhibitor's family or employees, concessionaire or spectator. Every animal and article upon the grounds shall be under the control of Big Sky Country State Fair and Gallatin County 4-H management. Management will put forth every effort to ensure the safety of articles after their arrival, but in no case will it be responsible for loss, theft, damages, livestock injury or death which may occur while in transit or during the time of exhibition.
9. You may exhibit the **current year's** work only. Any article shown previously at Fair is not permitted.
10. Exhibitors must **observe all Fair Rules and Montana 4-H Code of Conduct**. The member/parent may receive a warning for a 1st infraction, and severe infractions will disqualify both the member and project from further participation in that year's fair. Entries not following rules may be disqualified or dropped one ribbon placing as decided by the Market Livestock Committee, Horse Committee, or Indoor Committee and/or 4-H agent and FFA Advisors.

CODE OF CONDUCT FOR 4-H MEMBERS

The 4-H Center & Montana State University Extension wants your participation in 4-H programs, events, and activities to be filled with exciting experiences, new friendships, and fun. To ensure a positive experience for all participants, it is expected that all 4-H'ers be considerate of others, participate fully in the programming and observe the following expectations. If a situation or question arises which is not clearly covered by this list, ask an Extension Faculty/Staff member, or volunteer leader before acting.

While attending 4-H activities and events, I will:

- Obey all rules established by the 4-H program, the local 4-H program, and all local, state, and federal laws.
- Conduct myself at all times in order to be a credit to the club, school and community.
- Dress neatly and appropriately for the occasion and in accordance with the activity dress code.
- Show respect for the rights and property of others; be courteous at all times.
- Be honest and not take unfair advantage of others.
- Refrain from disruptive behavior and swearing.
- Demonstrate sportsmanship, modesty in winning and generosity in defeat.
- Attend meetings and sessions promptly and respect the opinion of others in discussion.
- Be respectful of the authority of adult volunteers, youth leaders, 4-H staff, and others in leadership roles.
- Not use, accept, or carry alcohol, drugs, or tobacco, or associate with others using these substances

11. FFA Advisors will enforce rules for FFA members.
12. 4-H Age is determined based on the youths' age **on Oct 1, 2022**.
13. **Age divisions: Cloverbud:** 4-H Age 5 to 7 years old as of October 1, 2022, **Junior:** 4-H Age 8 to 13 years old as of October 1, 2022, and **Senior:** 4-H/FFA Age 14 to 18 as of October 1, 2022.
14. **Write-ins allowed** for exhibiting purpose only – no premium money awarded.
15. Grievances must be **filed in writing** to the Extension office within **24 hours of the incident**. A grievance committee of 4-H leaders and the county 4-H agent will review each grievance.
16. No person, other than exhibitors will be allowed in the show ring during the time of judging except the superintendent, judge, class supervisor, clerk, and ring steward. Judges have been carefully selected by the management and each is recognized for his/her capability in making expert decisions in the respective division for which chosen. All exhibitors entering the Fair will accept the judge's decision and agree to abide by their decisions. The decisions of the judges will be final in all cases. If any exhibitor or family member attempts to interfere with the judge in any manner during the judging time, or publicly expresses disapproval of the decisions made by the judge, the exhibitor may be excluded from further competition.
17. 4-H/FFA members and volunteers are expected to dress appropriately while representing 4-H and FFA. Dress guidelines include no exposure of underwear and midriff area, no spaghetti strap or see-through shirts, and shirts must have an appropriate neckline. Closed-toe and closed-heeled shoes are required to be worn around animals. See showmanship division for description of appropriate show apparel.

RECORD BOOK AND INTERVIEW EVALUATIONS

All Gallatin County 4-H Members must participate in a project interview evaluation with their record book to complete a project and enter exhibits in fair. Interview evaluations are fun and give youth the chance to share the knowledge they have learned.

All 4-H Members participating in fair are required to turn in all Animal and Indoor project records and project workbooks to the Extension Office by June 28th, 2023, by 5:00 pm.

Record books are required to be up to date and include:

- My 4-H Year (One per member)
- Project records: Animal or Non- Animal Project Financial Journal (one per project)
- Project Curriculum/Workbook for each project (w/ 7 completed activities each year for most projects)
 - Youth may include photographs and write a 4-H story for their record books, but neither are required.
- **Members and Project/Club leaders must sign the record book(s) and project curriculum/workbooks prior to your fair interviews.**

****New Record Book & Interview Scoring Procedure** - Composite Scores**

In the efforts to clarify and improve the standards of record book expectations, we are trying out a new score-based procedure to determine Project award nominations. With both record-keeping skills and interview skills being equally important to develop in our youth, the two areas will be scored and totaled to determine award nominees.

- **Record Books:** Upon turn-in of your Record Books, Project & Club leaders will sign, review **and score** your records based on completeness, content and project standards utilizing a record book rubric.
 - This will be your Record Book score.
- **Interviews:** During the Project Interviews prior to Fair, a judge will evaluate members on their interview skills (eye contact, confidence, attire, ability to answer questions), their 4-H Year experience and project knowledge utilizing an interview rubric.
 - This will be your Project Interview score.
- **Composite Score:** The Record Book score (max points = 72) and the Project Interview score (max points = 48) will be totaled together for a Composite Score (max points = 120).
 - Members with a Composite Score of **90 or above** (75% or 'C+ grade level') will get nominated to be considered for a Project Award. Those nominated will be asked to re-turn in their completed Record Books in September for final review. Project Awards are presented at the end-of-year Awards Banquet.

Procedure for Livestock/Small Animal and Horse interviews:

- Livestock/Small Animal and Horse Project Interviews will be on the Thursday and Friday prior to fair week. ***NOTE:** Dog project interviews will now be included on these dates as well.
- Sign up for your interview time slot at <https://www.montana.edu/extension/gallatin/4hfair.html>
 - Interviews are scheduled through SignUp Genius. Be sure to schedule as soon as possible to avoid scheduling conflicts.
- If you are enrolled in livestock/small animal, dog, **and** horse projects, you will need to schedule **3 separate** interviews.
 - Dog project members will need to bring their Dog educational poster to their interview to be scored (if applicable)

RECORD BOOK AND INTERVIEW EVALUATIONS

- Bring updated record book and project curriculum/workbooks to your interview.
 - Arrive a few minutes before your scheduled interview time.
 - Dress neat and clean.
 - Be prepared to talk about your 4-H projects, what you learned, and your overall 4-H experience.
 - Meet with the judge during your scheduled time.

Procedure for Indoor Project Interviews:

- Indoor Project Interviews & Exhibit Judging will be conducted on the Monday of fair week.
- Sign up for your interview time slot at <https://www.montana.edu/extension/gallatin/4hfair.html>
 - Interviews are scheduled through SignUp Genius. Be sure to schedule as soon as possible to avoid scheduling conflicts.
- Bring your project exhibit, updated record book and project curriculum/workbooks to your interview.
- Physical project exhibit and interview skills will be evaluated during your interview with a judge.
- If you are entering projects in different divisions, you will need to complete an interview in each project division (**Example:** entries in Cooking, Photography and Leathercraft = 3 interviews)
 - Arrive a few minutes before your scheduled interview time.
 - Dress neat and clean.
 - Be prepared to talk about your project exhibit, 4-H record book, what you learned, and your overall 4-H experience.
 - Upon completion of your project interview, you will leave your exhibit to be displayed in the indoor building for the duration of the fair.

Ribbons, Premiums and Judging

THE DANISH SYSTEM OF JUDGING

Judging is based on comparison to a standard, not on comparison to others in the class.

Judges may consider skill level based on age and circumstance and may expect a higher performance from older 4-H'ers so there is some variance within the standard. Award groups are as follows:

Flats

Purple Ribbon: Excellent quality. Usually reserved for top two or three of the group, but not limited in number given.

Blue Ribbon: Superior quality. The standards have been met. Denotes adequate work.

Red Ribbon: Average to above average quality. Shows signs of quality but does not completely meet the standards. Some areas need further improvement.

White Ribbon: Below average quality. Does not meet standards. Denotes improvement needed.

Participation Ribbons: (Cloverbuds) Are given when members exhibit for personal satisfaction, not to see how their exhibit compares to a standard.

Rosettes

Champion & Reserve Are given in some departments. If the judge feels there are projects that deserve the title of Grand Champion and Reserve Grand Champion. The pink and purple rosettes are saved for the overall winner of the division/class.

Every entry should receive a ribbon, exception below.

- Livestock Poster entries will be divided into junior and senior divisions. The top 5 posters in each division will receive ribbons and premiums. All other poster/options will not receive ribbons or premiums.

Premiums Paid for Ribbons

Premiums are given on the below ribbon types/colors.

Premiums are paid for each exhibitor up to five (5) highest entries per class.

Premiums not paid for market classes, or animal educational options/posters.

Animal Projects

White \$1.50

Red \$2.00

Blue \$2.50

Purple Flat \$3.50

Pink Rosette \$4.50

Purple Rosette \$5.00

Indoor Projects

White \$2.00

Red \$3.00

Blue \$4.00

Pink Rosette \$6.00

Purple Rosette \$8.00

Department: Indoor Projects

RULES FOR INDOOR PROJECTS

1. Indoor projects will follow all general rules for 4-H and FFA.
2. Indoor entries are not to be removed from the Gallatin Fairgrounds until the end of fair, pick-ups will take place on Monday, July 24th. If items are removed early, premiums may be forfeited.
3. Project rules must be followed within the departments and division. Make sure all rules are read and followed. An entry that does not follow project guidelines, will not be displayed or points will be taken away.
4. Judging will be based on age divisions Cloverbuds (Ages 5-7), Junior (Ages 8-13) and Senior (Ages 14+).

Indoor Project Poster Guidelines:

- Follow these rules when planning and constructing a poster for indoor projects:
 - MUST be a self-standing poster (trifold)
 - Stick to one idea
 - Keep the message short and to the point
 - Make the exhibit simple, but interesting

DIVISION 100: SILENT AUCTION

1. Members may select up to **2 items** to be entered in the Indoor Silent Auction held during Fair. Youth will declare their silent auction item at check in. The silent auction items will be displayed in the indoor building during the week of Fair. Bids on the items will be written on bidding sheets. **Bidding will open on Wednesday, July 19th at 11:00am and close on Sunday, July 23rd at 6:00pm.** The highest bidders will be contacted to pick up items and pay for item.
2. Youth will receive payment from this item through the Market Livestock Committee after all money is collected from buyers.

Indoor Booth Contest:

2023 Fair Theme: "Rooted in 4-H"

We encourage all clubs, projects, and individuals to set up a booth in the indoor building and decorate it with the theme.

- Reserve a full booth space (8-foot table) or half a space (4-foot) by calling or emailing the Extension Office to reserve your space.

Indoor booths are a great way to promote Gallatin County 4-H and to showcase the activities you do as a club, project group, or something you've done individually.

The Leaders Council will be awarding cash prizes for the top Indoor display booths in the categories below. First place prizes will be awarded to each category.

The 2 categories are: *see page 21 for class numbers

- 1: Best use of Fair theme and 4-H spirit by Club or Project group
- 2: Best use of Fair theme and 4-H spirit by Individual Member

We look forward to seeing your creative ideas again this year!

FOODS

General Rules for Food

Lorrie Turner Memorial Awards

\$510 had been donated in memory of Lorrie Turner, a long time 4-H volunteer, mother, and supporter of 4-H cooking projects. The money will be awarded as a \$50 award to 1st Place and \$35 award to 2nd Place. All exhibits will be taken into consideration regardless of which class entered, but divided in each Cooking, Baking, and Cake Decorating projects, with senior and junior winners in each.

1. **All foods, including pies, tea rings & cakes, must be on/in disposable serveware**, appropriate to size of product, covered with plastic wrap or bag unless class description states otherwise.
2. All food entries, including hot and refrigerated, must be presented for judging at a food safe serving temperature. If judge deems temperatures are not safe, they will not sample.
3. All food entries will be accepted on Monday, July 18 from 12:00-6:00 pm for indoor exhibit judging and interviews.
4. **Complete recipe for all food exhibits must be attached.** For commercial mix, paste directions on card and eliminate reference to brand. Do not use packaged mixes unless specified in class number.
5. Exhibitor to bring a minimum of 6 servings of their food product (i.e., 6 cookies, 6 muffins, 6 biscuits). If bringing a cake or pie or loaf of bread, bring entire food product (unsliced). After judging, exhibitor may take home all but one slice.
6. Cakes should be exhibited out-of-pan. Cupcakes should be baked without liners. Bread should be baked in an 8"x 4" or 9"x 5" pan unless it is a braided or shaped bread; pies should be baked in a 9" or 10" pie pan.
7. Food entries will be judged on appearance (attractiveness, display, uniformity, cleanliness, etc.), adherence to entry rules (recipe, disposable plate, etc.), texture and flavor.
8. Judging will be based on age division: Junior (Ages 8-13) and Senior (Ages 14+)

DEPARTMENT PLANT SCIENCES

DIVISION 140: HORTICULTURE

Vegetables, Fruit and Flower exhibits that DO NOT have the required number of items will not be judged for awards. Exhibits will be judged for uniformity, maturity, various characteristics, free from disease, insects, and injury. Vases/containers are to be provided by exhibitor, use creativity as the type of container enhances your display. However, container will not be considered in judging. **Foam cups or tin cans will not be allowed.** Exhibitor **must use flowers/vegetables grown in own garden.**

“Vegetables at Fair” – All vegetables & fruit must be exhibited on a white 9” paper/foam plate and placed into a plastic bag. For all root vegetables cut the tops off, leaving approximately $\frac{3}{4}$ inch of top intact with the root. Wash roots gently to avoid injury to the skin. If storage is necessary, put them in a cool, moist place. Root crops include beets, carrots, radishes, rutabagas, turnips, parsnips, artichokes, horseradish, etc.

Head Lettuce: trim lower leaves from heads and do not leave roots intact. Choose large, heavy, or solid heads. Remove the roots and underground portion of stem but leave crown of Swiss Chard, Endive, Leaf Lettuce, Kohlrabi, Parsley, Dill, Spinach, etc.; wash if needed and keep in a moist & cool place.

Onions: approximately 1 week prior to Fair, pull and twist tops; remove outer layer of (dirty) skin. Spread them in an open shed so air will pass over them until fair time. Remove the tops and clip off roots; avoid damaging the node or basal plate. Choose well-formed bulbs; avoid “doubles”, thick necks, etc.

Green Onions/Leeks: Dig immediately prior to going to fair; avoid damage to node or basal plate. Remove outer layer of skin to get soil off and wash. Choose specimens that are well blanched or white.

Corn: Husk leaving 2-3 layers for protection against drying. Cut off stem back to the outer layer of husk. Choose well-pollinated and well- developed ears with good tip cover/fill, in the “milk stage”.

Cucumbers: Harvest by cutting stems; leave approximately $\frac{1}{4}$ inch of stem; avoid injury to fruit. Wash if necessary; choose well-shaped specimens.

Kohlrabi: Remove roots but leave the above ground portion of stem. Remove leaves; avoid injury to the skin. Tenderness is important.

Peas: Choose ones that are sweet, moist, and tender; not bitter, dry, tough, or woody. Wash if necessary.

Potatoes: Immediately after digging allow the skin to “set”. Avoid rough handling or cuts, skinning, or bruising; wash gently. Select medium to large sizes that are smooth and free of defect.

Rhubarb: Remove all green portion of leaf; leave base of petiole (stem) intact and wash; stalks must be tender and juicy.

Summer Squash: Leave stem; choose tender specimens. For the long type, they may be 5-8 inches long. For the round type and crooked necks, choose those that are very tender and succulent. Some types are ready for use as soon as the blossom has withered.

Tomatoes (red): Remove stems; wash and avoid injury. Choose those free of cracking. **Green Tomatoes:** Leave stems; choose specimens that aren’t turning red.

DEPARTMENT COMMUNICATIONS & EXPRESSIVE ARTS

DIVISION 173: PHOTOGRAPHY

1. Prints should be 5x7 for cameras up to 10 Megapixel or 8x10 for cameras over 10 Megapixel and mounted on black or white backing board. 8x10 will mounted to a 10x12 poster board or matting and 5x7 mounted to a 7x9 poster board or matting (1-inch border around photo).
3. Do not caption photographs.
4. Clearly print on the back any special equipment or circumstances incurred while taking the photo.
5. There are no limits to entries per class – however, the same photo cannot be entered in more than one class. Premiums are only paid for top 5 entries per exhibitor.
6. Pictures must be taken in this 4-H year to be eligible

- CLASS 1 Level 1 Color Photo**
- CLASS 2 Level 1 Black and White Photo**
- CLASS 3 Level 1 Photo Boards* Required by all members**
- CLASS 4 Level 2 Color Photo**
- CLASS 5 Level 2 Black and White Photo**
- CLASS 6 Level 2 Photo Boards* Required by all members**
- CLASS 7 Level 3 Color Photo**
- CLASS 8 Level 3 Black and White Photo**
- CLASS 9 Level 3 Photo Boards* Required by all members**

***Photo Board Requirements (refer to image on the left)**
Posters will be 22" X 28", to be displayed horizontally. **Do not use foam board for the poster.**

Mount photos neatly and securely to the backing. Double sided tape works very well and keeps the photos from curling. **DO NOT** use photo corners, scrap booking tape, rubber cement, white glue, or glue stick. Use either black or white backing Boards...other colors will detract from your photos!

Photos on the poster should be 4" X 6", but preferably 5" X 7". Photos must all be the same size! They can be either portrait or landscape orientation, or a mixture of the two. Work to make the display aesthetically pleasing. Photos must be standard sized prints...**NO HAND CROPPING!**

Entries can be either color, or black and white. Choose 1...do not mix color and black and white!

Each poster must have 10 photos. Provide a title to each photo, either with neat/artistic hand lettering, or a computer label. Make sure to only use a brief title...**NO CAPTIONS!** In the example adjacent on page, the photos are numbered. Rather than numbering, place the photo title under each photo. Leave plenty of room to do so, as you format/layout your board.

- Do not print photos with dates on them
- Photos cannot be either used in other fair entries. Do not use a photo on the poster, and then also for an individual entry.
- Do not enter the same photo in color and in black and white.
- Students can enter one poster in color and one in black and white. As stated above, **DO NOT** use the same photos for both posters.

THEME for 2023: "Big Sky Dreams". Use this as the main title for your display. In this theme, you can take photos of anything that fits your vision of what makes "Big Sky Country" awesome! This places few, if any, limitations on the photos you can use...but try to think in terms of a "theme" for your photos as a set.

RULES FOR 4-H & FFA ANIMAL PROJECTS:

Entry Fees: All fees are due at the time your entry is completed and turned in.

Record Book Requirements: Please read Fairbook pages 6-7 for all record book and interview requirements.

Code of Ethics: Montana 4-H is based on principles of positive youth development. We believe that all producers and exhibitors of livestock have an interest in maintaining a reputation of integrity, as well as an interest in presenting a positive and progressive image at livestock shows. Because we believe that all livestock producers want to produce a wholesome, safe, and reliable source of food for the public, we have adopted the following "Livestock Code of Ethics". Violations of this code are considered unethical in the raising, showing, and exhibiting of livestock for shows and fairs.

- **Sportsmanship:** All exhibitors and their families are required to conduct themselves in a positive, honest, sportsmanlike manner during shows. Losing gracefully is just as important as winning humbly. The following practices are prohibited:
 - Unsportsmanlike conduct, such as abusive language to show officials, other exhibitors, or the public.
 - Misrepresenting the age of an animal for the class in which it's shown.
 - Criticizing or interfering with the judge, other exhibitors or show officials while at the show or fair may result in an individual or group being expelled, placed on probation or declared ineligible to exhibit at the show.
- **Treatment of Animals** All animals are to be treated in a humane manner with adequate feed, water, and shelter provided. Physically abusing an animal is unacceptable and will not be tolerated. Exhibitors or anyone associated with an exhibitor who abuse their animal(s), for whatever reason, will be disqualified from the show. Striking an animal to cause swelling or a mark is absolutely prohibited.
- **Administration of Drugs** of any kind or description, internally or externally, except for treating a recognized disease or injury is prohibited. For this code, "drug" shall mean any substance commonly used by the medical or veterinary professions that affect the circulatory, respiratory, or central nervous systems of an animal. Only those drugs approved and labeled for use on animals can be administered and proper dosages and withdrawal times must be observed. Exhibitors own and manage livestock and are ultimately responsible to see that they follow appropriate and approved practices.

In addition, the following practices are prohibited and unethical:

- The use of any diuretic on any animal.
 - The use of alcoholic beverages in the feed or administered as a drench.
 - Treating or massaging any part of the body, internally or externally, with an irritant, counter-irritant or other substance to temporarily straighten a weak back or loin or to produce unnatural animation.
 - Minimizing the effects of cramps by feeding or injecting drugs, depressants, or applying packs or using any artificial contrivance or therapeutic treatment exempting normal exercise.
 - Administration of human tranquilizers to calm down animals.
 - Surgery of any kind performed to change the natural contour or appearance of the animal's body, teeth, hide or hair. Not included is the removal of teats or horns, clipping or dressing of hair, trimming of hooves.
 - Insertion of any foreign material under the skin.
 - Any attempt to change the natural color of any animal, either purebred or crossbred, by changing the color of or adding false hair, fleece, or skin at any point, spot, or area of the animal's body.
- **Violations** of the rules and regulations may result in forfeiture of all premiums and awards, disqualification, change in sale order, expulsion or probation of the exhibitor or organized group(s) the exhibitor represents and the exhibit or livestock involved in the violation. Probation, disqualification, expulsion, or other disciplinary action of the Gallatin County 4-H/FFA Market Livestock Committee, Gallatin County Extension 4-H Agent and FFA Advisors will be final. Such action will require application for readmission under such terms as the Gallatin County 4-H/FFA Market Livestock Committee, Gallatin County Extension 4-H Agent and FFA Advisors may prescribe before the group or individual is allowed to exhibit at future shows. The Gallatin County 4-H/FFA Market Livestock Committee, Gallatin County Extension 4-H Agent and FFA Advisors reserves the right to interpret rules and arbitrarily settle all differences and questions not adequately addressed by the above Code of Ethics.

RULES FOR 4-H & FFA ANIMAL PROJECTS (continued)

Care & Display of Animals:

Exhibitors must be currently enrolled in Gallatin County 4-H or FFA.

- All animals, except dogs, must have a completed health form and a general health inspection the day of delivery to the Fair. **NO ANIMAL WILL BE ALLOWED TO UNLOAD AT THE FAIRGROUNDS WITHOUT THE INSPECTION!** The general vet inspection may be obtained for free at each species-specific barn during check-in times (see schedule). Horse owners may have their horses inspected by a veterinarian within the 72 hours before entering the Fair and must bring health form completed and signed by the veterinarian. All animals showing infectious ailments will be sent home. All poultry must be pullorum free. All female beef and dairy cattle over 1 year of age must have a brucellosis certificate with health inspection. Have your Horse's Vaccination Certificate present with you. All horses must have proof of 5 Way vaccination and a West Nile Vaccination is recommended. Strangles vaccination is required for horses under the age of 5. Coggins test is recommended if you have hauled your horse from out of state. Rabies vaccination is required.
- **Ownership:** All registered stockowners must show original breed certificates in own name or transfer papers including ownership. Livestock must be owned or available under contract (except for breeding animals which must be owned) and cared for by member ninety (90) days prior to the Fair. Proof of ownership, contract or share agreement will be required. Ninety-Day rule doesn't apply to breeding stock that is an offspring of a female project animal owned by the exhibitor. Market lambs must be owned and in possession sixty five (65) days prior to the Fair. All project horses must be owned by the member, or in partnership with his or her immediate family. Any horse that is leased or borrowed must have a current lease contract on record with the Horse Committee. The owner must be aware of and agree to the rules outlined in the contract. All market and carcass beef must be owned and in possession of 4-H/FFA member by the mandatory January weigh in, no less than 185 days prior to fair.
- Exhibitors must use **ONLY** their Project Animal(s). Project animals are defined as animals tagged, tattooed, weighed, or declared before the species deadlines.
- **Ear Tags:** Barn Superintendents may identify all livestock, upon arrival at the Fairgrounds, with ear tags or tattoos. Market Beef, Sheep, Goats and Swine animals will be tagged at a date set by the respective committees **PRIOR TO FAIR**.
- **Tying Animals:** For security reasons, all beef and dairy animals (except cow/calf pairs that are in pens) must be tied with a neck strap, chain, or rope, in addition to halter rope. Pens will be available for cow/calf pairs upon request on your entry form; they must be halter broke and be led from the truck to the pen.
- **Display of Other Awards:** Exhibitors may not display awards won at previous shows until after the class in which they are showing has been judged.
- **EXHIBITORS MUST FURNISH THEIR OWN FEED AND BEDDING** - The Fairgrounds provides the first bedding of wood shavings. Additional days will be provided by exhibitors.
- **Exhibitors must clean stalls their animals occupied;** there will be a cleaning charge if left dirty! **ALL ANIMALS MUST BE FED, WATERED AND STALLS PICKED UP REGULARLY THROUGHOUT THE DAY, EVERY DAY.**
- **Adults may provide assistance only when there is concern for the safety of the youth member.**
- Refer to **Project Manuals** available from the Extension Office and your **Project Committee** for specific requirements or guidelines such as species contracts.

Herdsmanship:

Livestock Exhibitors will be responsible for the appearance, condition and cleanliness of the stalls and barns assigned to them. Neglect of animals will constitute being sent home and disqualified. Every 4-H or FFA member exhibiting livestock is automatically entered in the herdsmanship contest. A \$25.00 award will be presented to an individual in each barn area who displays the best herdsmanship. Rob Brownell provides these awards in memory of his father Bob Brownell. Consideration for Award:

- Stalls and alley in front of your pen kept clean and orderly during the entire Fair.
- Feed and proper care of your animals throughout the Fair.
- Courteous and polite to fellow 4-H & FFA members, adults, and Fair visitors in the barn and elsewhere on the Fairgrounds.
- Neat and clean dress.
- Equipment neatly stored.

RULES FOR 4-H & FFA ANIMAL PROJECTS (Continued)

Showmanship:

- **Only 4-H & FFA members will be permitted to fit animals.** Younger members are encouraged to get assistance from older members. Animals will be disqualified from the Showmanship Contest if this rule is broken. Adults may provide assistance only when there is concern for the safety of the youth member
- NO outside groomers/ fitters for shows.
- The beef members must have their cattle clean and presentable for showmanship, but do not need to use adhesive or black paint.
- Only 4-H & FFA members are eligible to hold animals in the show ring.
- 4-H or FFA members must be exhibiting their project animal enrolled in that project to participate in the showmanship contest. All beef market animals must be tagged at the initial January weigh in, and ownership of all breeding animals must be proven to beef committee 90 days prior to fair, to be eligible for showmanship.

Showmanship Contest Awards:

Each barn (beef, dairy cow, sheep, swine, goat, horse, rabbit and poultry) will present awards for their Champion and Reserve Champion Showman in the Junior and Senior divisions. The Grand and Reserve Showman Junior and Senior from each species will participate in the Round Robin.

Judging Criteria:

- Judging should be based on preparation of animals for show, apparent training and the appearance and behavior of the participating show person.
- Type of animal should not be considered unless it affects the way the animal should be fitted and shown.
- Fine or technical points should not be overemphasized to the extent that they are given more weight than an effective job of presenting a clean animal, nor should minor infractions result in disqualification of a show person.

Dress Code:

- **Showmanship Classes:** White collared dress shirt, long sleeve. Shirt needs to be tucked in. Tie is highly recommended. Black or dark blue jeans for 4-H members. Official FFA dress for FFA members.
 - Polished boots for large livestock showmen. Clean tennis shoes are acceptable in sheep, rabbit, and poultry divisions.
- **Market and Breeding Classes:** Either official 4-H dress code (White shirt, dark pants) or collared western shirt with black or dark jeans and polished boots.
- **Market Sale:** Either official 4-H dress code (White shirt, dark pants) or collared western shirt with black or dark jeans and polished boots.
- **FFA Dress code:** Official Dress for Showmanship and Sale. White shirt, black pants for Market/Breeding Classes.

Round Robin Rules:

- Large animals and small animals will be combined for the Round Robin Event.
- The Junior and Senior Grand Champion and Reserve Champion Showman will be selected from each species (Market Beef, Meat Goat, Dairy Goat, Sheep, Dairy Cow, Swine, Rabbit, Poultry and Horse) to compete in the Round Robin.
 - NOTE: Showmen who qualify for Round Robin will be **required** to show all species in the Round Robin competition. If a showman does not agree to show all species, they will be required to forfeit from Round Robin and relinquish their spot to the next qualifying showman in their species.
- The Grand Champion and Reserve Champion Showman from the above will be the four contestants selected from each species to compete in the Round Robin. The 3rd, 4th and 5th place showman from each species will be identified to provide alternates to Round Robin if necessary.
- The contestant will **not** show or be scored on their own species in the Round Robin competition.
- If the same showman wins Grand or Reserve in more than one species, that Showman may choose which species to show in the Round Robin and are still eligible to win the trophy for any species won.
- Exhibitors must bring their showmanship qualifying animal to be used in the Round Robin competition.
 - EXCEPTIONS: An animal that is not well behaved or poses an undue risk to the other exhibitors will be replaced but must be approved by the species committee. Species committee members, 4-H Agent or FFA advisors may switch animals out for the safety of the animal.

RULES FOR 4-H & FFA ANIMAL PROJECTS (Continued)

Judging Criteria and Scoring for Round Robin:

- Judging and scoring will be based on the personal presentation of the exhibitor (appearance, attitude, eye contact), control of the animal (maneuvering and handling the animal confidently), showing of the animal (set up, posing, pattern, awareness of judge), and responses to 2-3 questions from the judge while showing.
- Fine or technical points should not be overemphasized to the extent that they are given more weight than an effective job of presenting a clean animal, nor should minor infractions result in disqualification of a show-person.
- All competitors will be scored on a 1 to 5 system. (For example, 1 being very poor, 2 being poor, 3 being good, 4 being very good and 5 being excellent. A total of 25 points will be available; no decimal points will be given.
- In the case of a tie, individuals' questions scores will be totaled and the individual with the highest total questions score will win the tie.
- Each round will last approximately 5-8 minutes.

Showmanship Guidelines for Round Robin:

- Members participating in Round Robin need to follow the same showmanship dress code for the species which they qualified.
- All participants are required to wear boots, for the safety of the youth participant.
- Refer to your project manual for further guidelines or contact a species committee member.
- Check specific rules in appropriate divisions.

General Rules for Breeding Animals Only: (applies to all animals except dogs)

- Animals entered in breeding classes will be judged on breed type and characteristics. Dairy Cattle and Dairy Goats will receive consideration for milk producing characteristics and development for age.
- Animals shown in breeding classes may not be shown in market classes or vice versa.
- All female Beef and Dairy Cattle over one year of age must have a Brucellosis Certificate with health inspection.
- Get-of-Sire (sheep & swine) – 3 animals, offspring of 1 sire. Both sexes may be represented, but not more than 1 male. Owned by Exhibitor. Sire need not be present.

Educational Poster Rules:

- Poster entries will be divided into junior and senior divisions. The top 5 posters in each division will receive ribbons and premiums. All other poster/options will not receive ribbons or premiums.

Market Sale Rules:

- Only animals exhibited in a Market Class will sell.
- Exhibitors must show their own animal in Showmanship and at the Market Sale. Exceptions such as medical and family emergencies must be approved by majority vote of the 4-H/FFA Market Livestock Committee. Exception forms are available at the 4-H Office.
- Exhibitors are limited to 2 animal units. Please refer to species specific project rules as some projects restrict animal units for first year members.
 - **1 beef = 2 animal units**
 - **1 sheep = 1 animal unit**
 - **1 swine = 1 animal unit**
 - **1 goat = 1 animal unit**
 - **Pen of 3 rabbits = 1 animal unit**
 - **Pen of 3 poultry = 1 animal unit**
- Exhibitor must take care of animal until they are taken to the processor.
- All market animals will be weighed at official Fair weigh-in time. This weight is the official weight.
 - All market animals will be weighed once. In the event of an equipment malfunction, all animals in that species will be re-weighed. Margin of error is at the discretion of the project committees.
- All market animals are accepted with the understanding that they will be sold at the auction after they have been exhibited and judged, unless released by the livestock superintendent. ***The Market Sale is intended to be a terminal sale. Animals selling through the Market Sale must be declared by Wednesday evening of fair week.** Champions and Reserve Champions must sell unless the Champion or Reserve champion in Beef is also a Champion or Reserve in another species. In this case, the 4-H/FFA member may only sell one animal and must decide which one to sell. The remaining animal must be sold by private treaty outside of the market sale. This exception is to ensure the integrity of the 2-animal unit limit for exhibitors in the market sale.
- Satisfactory Bill-of Sale must be provided for all market cattle at the time animals are weighed. Provisions for releasing mortgaged stock must also be made prior to sale.
- All animals will be sold subject to slaughter inspections. If condemned, carcass will be returned to exhibitor for disposal and all money refunded to the purchaser. Refunds will be made at the discretion of the Market Sale Committee.

RULES FOR 4-H & FFA ANIMAL PROJECTS (Continued)

- **Commissions/Withholdings:**
 - A 5% commission is deducted from the sale price of each animal to pay sale expenses and operating fees. This commission covers but is not limited to the following: Livestock Judge, Buyers BBQ, Insurance coverage, Trucking fees of animals, Auctioneers, Online Sale Platform, Marketing and Advertising prior to sale, Thank you Tab publication after the fair, Equipment and Supplies for the sale, Tax fees, and Donation to Higher Education Scholarships for 4-H youth.
 - The 5% commission will also be deducted from all add-ons.
 - All Market Swine will be deducted a rate of \$0.40 per every \$100 of the sale price to cover the Pork Checkoff Fees. For example, if you sell a market hog for \$2,000, you would multiply that amount times 0.004 (2000 x 0.004 = \$8.00).
- Sale bids are unrestricted – no one's selling price constitutes a ceiling. Buyers who cannot attend the sale in-person can register to bid online. Proxy buyers must present a current proxy form with a buyer's signature and an upper bid limit when registering for the sale. Proxy buyers who exceed the agreed upon upper bid limit will be personally responsible for the difference in dollar amount.

- Steers **will no longer be considered for this award**
- Size of the project (number of animals exhibited), completed record system, & related projects could be considered, if necessary.
- Exhibitors must own the animal prior to Fair, leased show animals are not eligible.

The Montana Red Angus Association will award a buckle to a Red Angus steer or female if the animal is **Overall** Grand Champion or Reserve Champion of the breeding class, market class or carcass competition. To win this award, the steer or female are to be the progeny of a registered Red Angus bull or out of a registered Red Angus cow and be at least 50% Red Angus. Please contact the association at the end of your fair if the county has qualifiers. The presentation of the award is made at the MTRAA annual happenings. Tena Ketchum, MTRAA President, 1721 Plevna Rd, Plevna, MT 59344, (406) 778-3819, ketchum@midrivers.com.

The Montana Simmental Association will give an award for the Grand Champion Market Steer, Grand Champion Carcass and Grand Champion Female for 4-H or FFA, if the animal is identified on their stall or barn card as being Simmental or Simmental cross. Contact Clay Lassle, 42 Road 245, Glendive, MT 59330, (406) 486-5584 with a list of winners, pictures of winners if possible, and jacket sizes so awards can be ordered.

Some of these awards are subject to change

DEPARTMENT BEEF

BEEF

Beef Committee: Seth Halverson, Melanie Duffin, Annabel Morgan, Craig DeBoer

General Comments:

Each exhibitor, parent and leader participating in this department is responsible for reading and complying with the Livestock General Rules and information section pertaining to this specific project. Members must be currently enrolled in the Beef project through Gallatin County 4-H or FFA.

Entry fees of \$15.00/head + \$15.00 for each animal entered in carcass contest are due with completed entry form to the Gallatin County Extension office by entry deadline.

All 4-H beef members are required to complete a record book and an interview prior to fair for the beef project. Interview times will be scheduled online.

Neck ropes must be used on all beef cattle in the barn and in the tie out area outside. Cattle must remain in the barn until the designated tie-out time of 6:00 p.m. unless otherwise stated by the Beef Committee. Animals must be tied in the barn and be fed and watered before 9:00 a.m.

ALL requirements must be met on the Beef Project Requirement Agreement that all members sign at the time of the initial January weigh-in.

All exhibitors will participate in an Educational Written Test. This written test will be given at the Fair at the mandatory meeting. Tests will be given according to Novice, Junior, and Senior class, and tests will be graded.

It is required to participate in Showmanship. If an exhibitor chooses to use a female for their showmanship entry, and safety cannot be maintained due to a mixed sex class, the female may be dismissed. However, the exhibitor will still be placed by the judge. Age divisions are as follows: Novice (first year), Junior (8-13), Senior (14 & over). Only the Grand and Reserve from the Junior and Senior Divisions will be eligible for the Round Robin.

Rules & Regulations

1. Brucellosis requirements for the Beef project: If you animal(s) live or graze in the DSA area, you **must** show proof of current blood tests for all 4-H events. Proof will be required at fair Vet check-in. Failure to show proof will disqualify all of your animals that are housed together. If your other animals are housed separately, you may be eligible to participate with animals that show proof of a negative test, with the approval and consent of a supervising vet. All sexually intact cattle must be tested for Brucellosis within 30 days prior to leaving the DSA, for the 4-H fair, any 4-H related events or changing ownership.
2. All market and carcass beef must be owned and in possession of 4-H member by the mandatory January weigh in, no less than 180 days prior to fair. The exhibitor must be the primary caretaker of the animal. Market beef must be born after January 1 of prior year. Exception: Grass Fed beef projects must be no older than 24 months by the date of Fair.

DEPARTMENT BEEF

BEEF

3. Eligible market entries must weigh at least 1050 lbs. to be eligible to sell through the market sale. Entries under 1050 lbs. will be shown in a feeder class. Market animals will go across the scale **once** during check in time. Any beef over 1450 lbs. will be sold as a beef weighing 1450 lbs. No weight slips will be accepted.
4. Each exhibitor may enter and exhibit up to two Market Beef and unlimited breeding beef on their entry form and exhibit up to two Market Beef at the fair. Market Beef will compete in divided classes. Classes will be determined at the time of the show based upon weight and the number of entries. Weights will also be made available to the judge. Grand and Reserve Overall Champion will be selected from the top two (1st & 2nd) place winners from each of the weight classes.
5. Immediately following the Market show, and **no later than 6:30 pm**, exhibitors must let the Beef Committee know which animal they will be selling. This decision is final, and changes may not be made. Grand and Reserve Champion Market beef must sell. Unless both are owned by a single exhibitor. In this case, the third overall will sell in the place of the Reserve Champion. This is so that the one animal unit rule stands from the Market Livestock Sale Rules.
6. Steers or heifers are eligible to be exhibited in the Market Class. Steers must be castrated prior to January weigh-in. Exhibitors must prove that the market heifer is pregnancy checked **open** by a veterinarian or certified technician within 30 days of Fair. Market heifers that are not spayed will be required to monitor and time heat cycles to promoted safety in a mixed sex project. Every effort will be made to prevent a female from cycling during the fair dates. This process will be approved by a supervising vet to observe withdrawal times and maintain meat quality assurance.
7. The natural color of a market or breeding animal cannot be altered using any artificial coloring. However, products that match the animal's natural color may be used in the fitting process from the knees and hocks down and on the switch only. For example, black products may be used on a black-legged animal, red on a red-legged animal, and white on a white-legged animal. But under no circumstances can color be used to cover an animal's natural color or pattern, anywhere on the body. Refer to the national code of ethical fitting. Disqualification for breaking this rule will result in selling last in order of Beef in the Market Sale. After initial beef check-in, all animals must be fitted by enrolled 4-H youth members only. Parents may only intervene for safety reasons. Professional fitters are not allowed under any circumstance. Animals can be disqualified if this rule is proven to have been broken.

DEPARTMENT BEEF

BEEF

8. A vet check is required upon arrival at the fairgrounds and before the animals can be unloaded and stalled in the barn. A vet will be available at the time of the weigh-in. All parents and kids will complete and sign the vet form agreeing they are disclosing all medical care or issues from the entire project term. (Example- a long lasting infection, even early in the project, could affect meat quality.)
 - a. Once the animals check into fair, the member or parents are no longer allowed to treat for medical issues on their own. A vet and the beef leaders will use their discretion for all medical care. Not following this could result in termination of exhibitor.
9. If a sedative must be used, the sedative must be prescribed and administered by a licensed veterinarian after the approval of the Beef Committee. Homeopathic substances must also be approved by the Beef Committee and supervising vet. Use of unapproved substances can result in disqualification.
10. The brand inspector will require a proper Bill of Sale on Weigh-in day.
11. The Beef Committee has the right to amend any rule when needed.
12. Market Beef must be without horns. Dehorned animals with scurs less than 2 inches may be allowed with written approval by the beef committee.
13. All animals must remain under control for the entirety of the week. If your animal is deemed as unsafe, the Beef Committee, the Livestock Committee, Extension Office, and Gallatin County Fairgrounds have the right to remove animal from the fairgrounds and the market sale.

DEPARTMENT POULTRY

POULTRY

Poultry Committee: Shawna Oostema, Judy Brownell, Judy Neiminen, Kamy Miller, Lorraine Sheroian, Emily Lewellen, Lea'h MacDonald

Birds must be in possession by May 1, 2023, or on a confirmed delivery (market birds) by March 15, 2023. Exhibitors must complete a poultry interview. The interview will be held during the main project interview time held prior to fair. Exhibitors are asked to dust their birds for lice 7 days prior to check-in at the Fair. A veterinarian or licensed tech will check all birds at check-in. Exhibitors may be asked to take a bird home, due to infestation with lice, illness, stress, or poor condition. Disregard of animal health and the health of other 4-Her's animals is grounds for expulsion from the Fair. All birds must be banded. Leg band numbers must be listed for each individual bird on the coop card displayed at fair. Entry fee is \$15.00/member (up to 10 entries and a trio/pair is considered 1 entry). If any one individual is planning on taking more than 10 entries, please contact a project leader prior to submitting your entry to the 4-H office. The entry fee is used for judging costs and awards given out to members. An additional deposit of \$20.00/member will be due at the time of check in. This deposit will be held during fair and returned to the member during checkout on Sunday if all barn rules have been followed throughout the fair week. Additionally, the poultry committee reserves the right to not give the members earned prizes if barn rules are not followed. Please contact a project leader or refer to your signed contract for further details or questions.

Barn Rules:

Animals are to be fed and watered at least twice daily, and cages are to be cleaned daily. Arrangements can be made with fellow 4-H'ers for sharing this responsibility. In addition to caring for their birds, exhibitors are responsible to keep the rest of the barn clean. This includes sweeping, picking up after yourself and making sure no trash is laying about. Courtesy and good sportsmanship is the order of the day. Exhibitors (not the parents) are responsible for ensuring that they and their poultry are properly checked-in and checked-out, banded, interviewed, shown, weighed, photographed & sold at the appropriate times. Animals are to remain throughout the Fair, to be released as noted during fair, unless the Poultry Committee rules otherwise. The exhibitor is responsible for cleaning out cages and surrounding area before they check out on Sunday. Additionally, each exhibitor must sign up (as designated by the Poultry Committee) for barn duty during the fair. Please refer to the 2023 Poultry Project Contract for further details on project requirements and expectations.

Governing Rules:

The governing rules for judging will follow the most current edition of the American Poultry Association (APA) Book of Standard.

Please designate breed/variety of animal on entry for all poultry entries.

Age Definitions/Trio and Pair Definitions:

For Chickens:

Cock (C) - Male fowl one year or over

Cockerel (K) - Male fowl less than one year

Hen (H) - Female fowl one year or over

Pullet (P) - Female fowl less than one year.

Young Hen (TYF) - Female less than one year.

Trio – 2 females and 1 male of the same breed and variety.

Pair-1 male and 1 female of the same breed and variety

Laying Hens/Pullets—recommended to have same breed and variety but mixed variety/breed pen is allowable.

Age of the animal is based on the date of check in on July 17, 2023.

MARKET POULTRY

Auction birds will be sold by the pen and not the pound. A pen will consist of three birds of the same breed and preferably the same variety. An exhibitor may enter up to two saleable market pens. Market pens will be weighed during the check in period of fair and those weights will be posted as the sale weight of the pens. Market pens will be judged on uniformity of weight, carcass quality and characteristics. Each pen will be entered based upon the age of the birds at the time of check in.

There will be minimum combined pen weights (3 animals/pen) that each market pen must meet to show and sell for the market project. Chickens will need to weigh at least 12 lbs. Turkey pens will need to weigh at least 45 lbs. and ducks will need to weigh at least 15 lbs. Please contact a project leader with any questions.

- ☐ The health and safety of the rabbits must be a priority at all times. The rabbit committee will intervene if necessary.
- ☐ Rabbits will be fed twice a day and have clean water at all times.
- ☐ Cage and area under cage will be kept clean.
- ☐ As the rabbit is the exhibitor's project, the exhibitor should care for the rabbit and clean the cage. Other rabbit exhibitors may help each other with the care of the rabbits.
- ☐ Rabbits must be in the Rabbit Barn during the open hours, from check-in on Monday thru check-out on Sunday.
- ☐ Exhibitors are responsible for having themselves and animal prepared and on time for each show.
- ☐ Courtesy and good sportsmanship are expected from exhibitors.
- ☐ Not following any rule including Rabbit Project Contract Rules could result in the exhibitor returning any awards and removal from the Fair.

DIVISION 270 MARKET RABBITS

DIVISION 309: JUMPING

Open only to members enrolled in the jumping project. Members must have attended a minimum of two jumping project clinics to be eligible to participate in jumping at Fair.

Hunt Seat Equitation over Fences – Judged on rider's correctness of position and precision of ability over the fences, not the horse's ability. Only the effect the rider has on a horse is to be considered. How a rider elects to ride the course, the pace and approach to the jumps are used to evaluate the rider's judgment and ability. Judged over a course of 8 to 12 fences.

Working Hunter – Representative of the type of horse used in the hunt field. He should possess manners, jumping ability, style, pace, and quality. The working hunter must be able to demonstrate his ability to furnish the rider with a smooth comfortable and safe ride. Judged over a course of 8 to 12 fences.

Hunter Hack – The hunter hack horse should move in the same style as a working hunter. The class will be judged on style over fences, even hunting pace, flatwork, manners, and way of going. It has two components. Fence work will represent 70% of the score and will be over 2 fences with 2 to 5 strides between. Rail work will represent 30% of the score and will consist of walk, trot, and canter.

DEPARTMENT HORSE

At a jumping clinic prior to June 15th, all riders will be assessed into one of the Jumping Levels for safety and success at fair. Colt to Maturity and Green Horses will also be assessed into a jumping level, and the horse must have attended two clinics. Entries in Colt to Maturity and Green Horse classes will only compete for Danish ribbons and will not be eligible for any high point. There will be a high point and reserve high point Jumping rider for each level. Any ties will be broken with Hunt Seat Equitation Over Fences placings. Please refer to the USEF rule book. We will be implementing these rules as a guideline. <https://www.usef.org/compete/resources/forms/rules-regulations/rulebook>

Please call the jumping project leader with any questions or concerns. Our goal is to ensure the safety and development of our members.

DEPARTMENT HORSE

DIVISION 310: DRESSAGE

Open to all horse project members.

Dressage - French term meaning "training". Its purpose is to strengthen and supple the horse while maintaining a calm and attentive demeanor. This training offers riders a progressive and interrelated system through which to develop the horse over time.

For simplicity, members will ride the same dressage test in class A and B in their level. Tests can be ridden English or Western.

Entries in Colt to Maturity and Green Horse classes will only compete for Danish ribbons and will not be eligible for any high point. There will be a high point and reserve high point Dressage rider for each level. High Point based off highest score in the 2 classes for each level. Please refer to the USEF rule book. We will be implementing these rules as a guideline.

GALLATIN TWISTERS DRILL TEAM

Gallatin Twister Members Come see us present colors at the horse show and then perform our drill patterns during the Horse Project Award Ceremony. Look for us around the fairgrounds if you have any questions about 4-H and what we do. Good luck at fair and have fun!

Who we are: A group of horse project members representing the diverse opportunities 4-H offers, promoting 4-H while at the same time presenting our horse project members with another fun and valuable learning opportunity.

Goals:

- Promote 4-H
- Provide more great learning opportunities for horse project members
- Provide horse project members something specific to work toward
- Provide the more advanced riders another horse opportunity and another reason to continue through the riding skill levels.

Riders must:

- complete an application
- attend an interview and try-outs
- earn a place on the team and continue to demonstrate throughout the season that they deserve to keep it
- be able to work well with a group
- have a good attitude and be respectful
- have a history of finishing what they start
- love 4-H
