Colter Barta is a graduate of Manhattan High School, is in his 11th and final year of 4-H. He has raised pigs all 11 years and enjoyed every minute of it. He plans on attending Montana Tech in pursuit of an engineering degree.

Nick Dykstra is a 2021 graduate from Belgrade High School. Nick has been in 4-H for 11 years, starting in chickens as a clover bud. He showed sheep for a few years but moved on to steers. Nick plans on going to welding school this fall.

Erin Riffle graduated from Bozeman High School with Honors. She has participated in, shooting sports, vet Science, sheep, swine, poultry, rabbit, dog training. She has been in 4-h for nine years. 4-h paved the way for Erin's love for animals and helped her choose what career she will be going into as well as what she needs to study in college-veterinary science.

Ash Lee Schumacher has been a part of Gallatin County 4-H for 9 years. Her 4-H career has involved the horse and green horse projects as well as the sheep project. She has enjoyed 4-H because of the experience and opportunity it has given her as well as the friends she has met in different projects. Ash Lee graduated from Belgrade High School and plans to attend the University of Montana this fall to study business.

K'Lee MacDonald is 14th year in 4-H participated in poultry, sheep, dairy and market goat, beef, horse, cooking, photography, leather working, woodworking, livestock judging and aerospace. She has been a part of the Clarkston Mustangs 4-H Club. K'Lee is currently in an internship for horse training and behavior. Through her many years of 4H K'Lee has gained many new friends, life lessons, confidence, responsibility and the ability to serve the community.

Madeline Severson has 11th year in 4-H. She participated in sewing and cooking; showing sheep, swine and finished her 4-H career in the beef project. Madeline is most proud of her people skills that she has gained her years of marketing animals to the community and the lifelong friendships she has made in 4-H. She has signed to run for the Track and Field program at MSU Billings and will study either graphic design or art education.

Olleca Severson started her 11 year 4-H career as a Cloverbud and helped start the meat goat project, then onto the dairy goat, vet science, swine and beef projects. The most important thing that Olleca takes away from 4-H is her communication skills and is proud of her skills to talk to anyone anywhere! Olleca has signed to run for the Track and Field program at MT Tech where she will study agri-business or pre-veterinary science.

Kiley Smieja graduated with honors from Homeschool and will attend MSU for Agronomy & Animal Science. Kiley spent 10 years in the Pass Creek 4-H club doing cooking, photography, crop science, and rabbit projects. Her passion was the beef project (both market & breeding animals). Kiley loves helping and teaching others about agriculture, especially during fair. Kiley was also active with Belgrade FFA and MT Jr Red Angus.

THANK YOU!

GALLATIN COUNTY 4-H FOUNDATION

Thank you for supporting the Gallatin County 4-H Foundation! The Foundation uses their funds to benefit new projects and clubs, the Ambassador program, 4-H Congress delegates, awards for Members of the Year, and provides college scholarships for graduating 4-H members. We appreciate your continuous support! None of these programs would be possible without the generous donations from our community.
