

ONLINE MASTER GARDENER CLASS

This online course is a self-paced, self-study format with 17 yard/garden modules.

Course will cover Soils, Fertilizers, Plant Growth & Development, Vegetables, Ornamental Plants, Trees and Shrubs, Landscape Design, Pruning, Turfgrass, Irrigation, Small Fruit, Tree Fruit, Composting, and Integrated Pest Management. Each module contains a presentation video, class notes, study guides and handouts (if applicable). After each module is complete, user will complete a quiz on the topic.

A Montana Master Gardener certification will be issued to the user upon completion of this course with a passing final grade and when 20 volunteer service hours have been achieved. Users have one year from course completion to obtain the required volunteer hours.

Cost: \$100 per student. Students will need to make three separate payments for the following (outlined in registration process):

1. Montana Master Gardener textbook - \$50
2. Master Gardener course fee to Glacier County Extension - \$20
3. Brightspace online course user fee - \$30

Students will receive the link for the online course once the registration form has been returned to Glacier County Extension with the \$20 payment.
