EVALUATION & RESEARCH

"This program gets my child away from games, social, media, etc. and connects him to real-life issues and emotions."

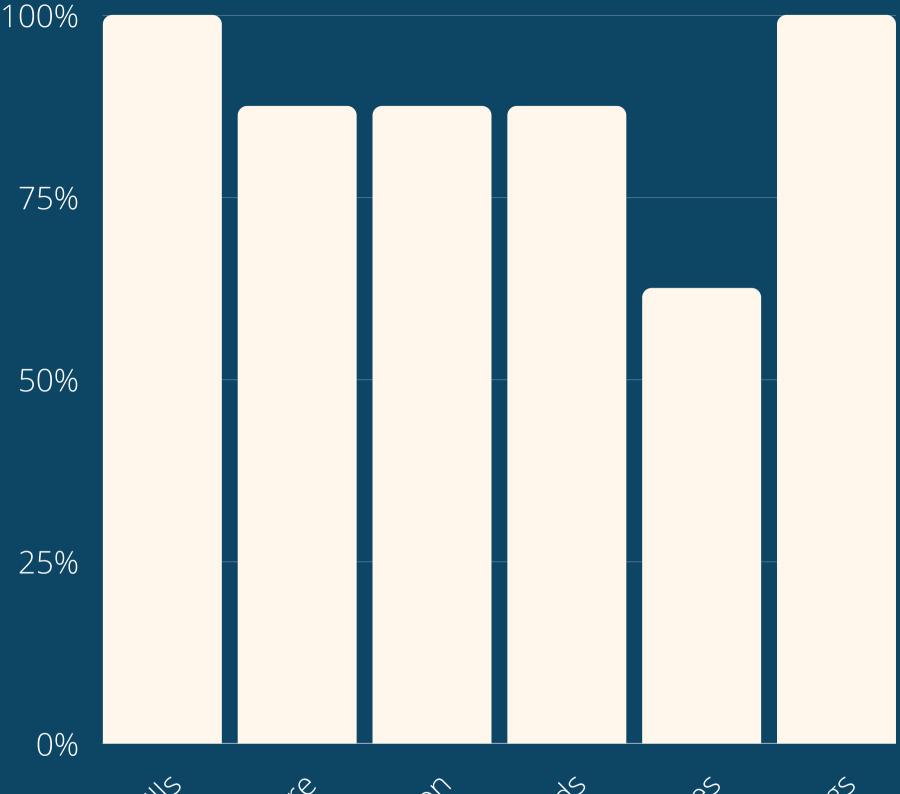

- Project Venture parent

What I like best about Project Venture is...

"Friends, knowledge and challenges."
- Project Venture youth

"The things we learn about our culture."
- Project Venture youth

"The things we learned about and the things we talked about growing up and stuff"
- Project Venture Youth.

Gained new skills of culture as a person liked 200m activities of chipyed outiness
