

**Restricted Use Private Applicators. Last Chance Private Applicator Programs in Region 3.
(Monday 12/06/2010 1:00PM)**

Cecil Tharp (MSU Pesticide Education Specialist)

Private applicators within Glacier, Pondera, Teton, Cascade, Chouteau, Hill and Blaine counties have 3 last chance opportunities to obtain recertification credits prior to the January 1st, 2011 deadline. Applicators with less than 6 private applicator recertification credits may attend these events to meet end of cycle requirements:

Shelby, MT. December 16th, 2010. 3 credits. Pulse Production Program. See online agenda at <http://www.pesticides.montana.edu/PAT/2010/10-371.html>. Contact Jeannie Olmstead at (406)424-8350 for more information.

Havre, MT. December 21st, 2010. 5 credits. 2010 Pesticide Training. See online agenda at http://www.pesticides.montana.edu/PAT/2010/trainingagenda%20aquatics%20dec_2010%5b1%5d.doc. Contact Terry Turner at (406)265-4453 or Joe Broesder at (406)265-5481 for more information.

Online throughout Region 3. Up to 2 credits. Online Credit Tests. See online instructions at <http://www.pesticides.montana.edu/PAT/OnlineCredits/index.html>. Contact Cecil Tharp at (406)994-5067 or email at ctharp@montana.edu for more information.

**To qualify into the next private applicator certification cycle all region 3 private applicators must have 6 or more private applicator credits by January 1st, 2011.*

FOR FURTHER INFORMATION: Visit the MSU Pesticide Education website at www.pesticides.montana.edu and select 'Private', or contact Cecil Tharp at (406)994-5067, ctharp@montana.edu.
