## Archery Events

All archery rounds will consist of two practice ends plus 10 scored ends of three arrows each. Each end will be three minutes long. For all events, Montana 4-H Archery Rules will be followed for Equipment, Archery Events, and Safety Rules. It is the responsibility of each archer to know and abide by the rules. Sight length shall be measured from the mounting screws to the sight pin or aperture. Stabilizers shall be measured from the point of attachment, including v-bar. **Arm guards must be worn by all competitors.**

**Primitive Bow (PB):** Longbow or recurve bow with finger release and no sights or stabilizers.

**Bare Bow (BB):** Any bow with finger release and no sights. A single straight 12" maximum stabilizer is allowed.

**Limited Bow (LB):** Any bow with finger release and fixed sights of 5" or less. Sights adjustable without the use of tools, sight extensions, or scopes are not allowed. No sight may be adjusted once the scoring has begun. A single 12" maximum stabilizer is allowed.

**Bow Hunter (BH):** Any bow with release aid and fixed sights of 5" or less. Sights adjustable without the use of tools, sight extensions, or scopes are not allowed. No sight may be adjusted once the scoring has begun. A single straight 12" maximum stabilizer is allowed.

**Unlimited Bow (UB):** Any compound bow with release aid, stabilizer of any length, v-bar, and/or any sight including movable sights or scopes with written information. (Lasers and sight lights not permitted.) Sight may be adjusted any time during the round, but only by the archer.

**Olympic Recurve (OR):** Recurve bow with finger release, clickers, kisser button, V-bars, stabilizer of any length, and/or a single movable sight, written information allowed. Sight may not incorporate a prism, lens, or leveling device. Sight may be adjusted any time during the round but only by the archer. String peeps are not allowed.
