Gardening Guidelines and Rules Agreement

GENERAL

1. I agree to pay a fee of \$50.00 to reserve a full plot (16x8') or a fee of \$25.00 for a half plot (8x8') in the Community Garden.
2. I will not cause damage to another gardener's plot and will only harvest from my plot.
3. Family and friends are welcome to the garden! I will maintain control of any guests, children or dogs (must be leashed) I bring to the garden, and I understand that I am responsible for cleaning up after them or repairing/paying any damage they may cause.
4. The garden area is open dawn until dusk, seven days a week but the gates should always be closed.
5. I will pack out any trash I bring into the garden.
6. If I have any complaint about another plot or gardener, I will bring it to the garden committee for resolution.
7. I will not grow marijuana or any illegal drugs in my plot.
8. I will dispose of weeds and plant materials in designated compost areas.
9. I will keep rocks out of the pathways and borders by putting them in the designated spot.
10. If I must abandon my plot for any reason, I will notify the garden committee.
11. Garden plots are non-refundable.

PLANTING AND MAINTENANCE

1. If planting long-term crops (like trees, rhubarb, asparagus or raspberries), I will work with the garden committee to confine these to an appropriate space.
2. I will be considerate of my neighbors by not planting sprawling crops or tall crops that might interfere with others.
3. I will choose to mulch with leaves, grass clippings, or hay to reduce water evaporation.
4. I will bring in and out my own gardening equipment.
5. I will keep weeds at a minimum and maintain my plot in the garden. If another gardener files a complaint that my plot is unkempt, I understand I will be given 1 weeks' notice to clean it up. If it is not cleaned up at that time, it will be reassigned or tilled in.
6. I will volunteer my time for general maintenance to keep the garden site looking good as the use of the site is contingent on the members' ability to maintain it.
7. I will clean up my garden plot at the end of the season (vines, cornstalks, tomato cages, etc.). Returning gardeners may reserve the same plots for the following year by notifying the garden committee before plot assignment the next spring.
8. I will make sure all hydrants are off and hoses are neatly rolled up after use.
9. I understand that unattended watering is not allowed. Consequences will be forfeiture of plot and only one warning will be given. Notify the garden committee of any leaks in the water line.

FERTILIZER AND PESTICIDE USE

1. I agree to use fertilizers, insecticides or weed repellents according to their labels.
2. I will not use fertilizers, insecticides or weed repellents in a way that will affect other plots in the garden. For the consideration of the other gardeners, I will not spray on a breezy day.
3. I will **avoid** the following persistent herbicides and pesticides: Malathion, Organophosphates, Cyfluthrin, 2,4-D (dicholoro-phenoxyacetic acid), Chlopyralid (Confront), and Amenopyralids.
 - *Roundup and other glyphosate products may be used for early season weed control if applied prior to annual seeding and planting.
