LOCAL
ADVISORY COUNCIL
(LAC)

LAC

Making a difference
across Sanders County for
our communities' mental
health.

What is a Local Advisory Council?

We are a group of community members interested in assessing, planning, and strengthening behavioral health services in Sanders County. We include behavioral health professionals, individuals and families who live with mental health challenges, professionals from community organizations, human service agencies, public service, and community members simply interested in helping.

What do we do?

- **Identify gaps in services**
- **Recommend potential additions to services available in the community**
- **Solve problems regarding access to services**
- **Develop community projects to improve local services**
- **Educate and train local community members on behavioral health issues**

Want to help?

Anyone can participate!

If you are concerned and interested in how persons with mental illness are helped within our community, attend a meeting!

**Last Wednesday of the month
9:00 am to 10:00 am**

Currently Meeting via Zoom due to COVID-19.

Please contact us via email or see our Facebook page for the Zoom link.

We need your voice, ideas, skills, and talents!
