

SEED STARTING WORKSHOP

March 23, 2023

(2 times available)

11:00 am at the Clark Fork Professional Building

7:00 pm at the Plains School Economics Room

This workshop will be hands on. You will have the opportunity to learn when and how to start your own seeds for your garden.

All participants will be taking home your own starts!

Speaker Rena is a Montana Master Gardener with over 45 years experience in growing her own food. She is the owner of Rena's Heirlooms, a local nursery growing all kinds of vegetable start plants.
