

Toole County 4-H Awards Nomination Form

Please use a separate form for each project nomination!!!!

Please use this form to nominate a current 4-H member for an Achievement Day Award.
Return form to the Toole County Extension office or your Club Leader.

This form may be completed by:

- Any 4-H Member-members may nominate other members
- Any 4-H Leaders-leaders may nominate any member
- Any 4-H Parent/Family members- May nominate their own children or other members
- Community Members- May nominate 4-H members

Award nomination indicates outstanding work in a 4-H Project or an activity area. This means that a member has done above average work for their age and their number of years in a project or activity with their 4-H work. They challenged themselves by learning new things, trying new techniques, sharing their skills and knowledge with others, leading a project or activity, working hard and showing self initiative and a willingness to serve in their club.

Members may be nominated in any project area, community service or leadership. If they have been an active overall member in all three of these areas, plus participating in many 4-H Activities on the club, county and possibly district, state and national levels-it would be appropriate to nominate them for a 4-H Achievement Award.

Name of Nominee _____ Club _____

Nomination for:

- Project Area _____
- Community Service
- Leadership
