

TOOLE COUNTY AGRICULTURE

THE MONTHLY NEWSLETTER OF THE
TOOLE COUNTY AGRICULTURE
EXTENSION AGENT

FEBRUARY 2022

HELLO PRODUCERS, FARMERS, RANCHERS, GARDENERS, & MORE.,

Next Generation Conference

As some of you may know the Next Generation Conference was held on Tuesday and Thursday nights 6 - 8pm in January. If you missed any of the nights, the recordings are available on the website! www.mtnextgen.com

Golden Triangle Barley Seminar

On Tuesday February 22, 2022 Pondera County is hosting a Barley Seminar. It is going to be held at the Pondera Shooting Sports Complex from 8am-4pm. The malt barley industry's top professionals are gathering at the Pondera Shooting Sports Complex to discuss the current research and industry dynamics. Please RSVP to adriane.good@montana.edu, 406-271-4054, or by going on Facebook to the Montana State University Extension Pondera County Page and mark going! There will also be Pesticide Points available.

Fabulous Friday's

Any and all are welcome to join in on Fabulous Fridays. It is a series of 8 Estate/Legacy Planning Webinars that take place every Friday in February and March from 10am-11am. The webinar series will be presented by Marsha Getting, MSU Extension Professor and Family Economics Specialist, and also Kim Woodring, MSU Extension Toole County Agent.

If you would like to register please go to the website link!

IN THIS NEWSLETTER

- Next Generation Conference
- Golden Triangle Barley Seminar
- Fabulous Friday's
- Fumigant Training Class
- Pesticide License

Fumigant Training Class

On Thursday, March 24, 2022 there will be a Fumigant Training Class in Fort Benton at their Ag Center from 8am-noon.

The topics that they will be focusing on are managing rodents with fumigants and managing insects in agricultural structures.

Four private or commercial credits will be available for attending the event!

If you are interested in attending this event please contact Amy Bowser by March 20th, 2022 at 406-994-5178 or amy.bowser@montana.edu

Pesticide License

If anyone would like to get a Pesticide License, please contact Kim or Jackie at the Toole County Extension Office and we will get the information to you!

You can call us at 406-424-8350 or email us at toole@montana.edu.

Technology Tips

If you are wrestling with a stubborn iPhone, computer, iPad, tablet, cellphone, or any other technology, please come see us in our office. I wouldn't say we are experts, but we would like to offer our services to anyone who might need a little help!

Stop by anytime!
