

FYI for 2024

Basic Information/Terms and Important Deadlines:

- Participating in fair is *optional*, NOT a 4-H requirement. Enter as few or as many projects as you like.
 - If you have an animal, you do **not** have to show or sell it at fair (unless your market animal receives grand or reserve).
 - You do NOT have to participate in workshops to enter contests at fair.
- Dept. N is anything non-animal.

- Dept. A is anything with an animal.

- Entry forms are due by **5:00 pm on June 28th**.
All entries received after 5 pm on June 28th and before 5 pm on July 5th will have to pay a \$50 late registration fee per exhibitor. **No entry forms will be accepted after July 5th at 5:00. NO EXCEPTIONS!!!!**
- Entries are done online at montanafair.com under exhibitors.
- Interview judging day (Monday, August 5th, 9:00am -1:00pm & 4:30pm-7:30pm) You take your exhibits you make in your projects that are considered Dept. N (non-animal) to a judge to be interviewed about what you brought to fair and what you have learned in your project. There will be different judges for each project.
****Cloverbuds will take all their entries to 1 judge at the same time to visit with the judge. Cloverbuds may bring any project or craft they have done – some bring items made at Cloverbud Camp!****
 - Each club is assigned to come during morning or afternoon session – watch newsletter for your time! If you have more than 25 items to get judged, please go in the morning.
 - Keep in mind that if you have an animal in Dept. A, you can also submit projects into Dept. N for those animals, just NOT the live animal. See Dept. N Pg. 18, Div. 33 for Sm. Animal & Div. 32 for Lg. Animal (Examples would be a match game you create to help you learn breeds of your animal, a model of a shelter you built for your animal, a poster explaining different feed tags and what to look for.)
- Exhibitor packets will be given to each member that signs up to exhibit *anything* (Dept. N or Dept. A) at fair. These packets can be picked up on interview judging day. **** Please make sure to read **everything** in the packet so you don't miss out on something fun and/or important!****Please let your leader know if you are unable to pick up your packet – they usually are given to them, but sometimes not until *after* fair starts and it can sometimes be difficult to meet up since shows have started.
- “Crafts/Hobbies/Foods” is a division regular member can enter something but does **not** need to be enrolled in a project to enter an exhibit. Exhibits may be something that a project is offered, but member did not sign up for. *For Example, a member may have taken a photo they really liked at Make It and Take It, they discovered a new interest and want to exhibit that photo.* Please be aware that you cannot earn a “Best of Class” nomination in Dept. N and these items will not be eligible to sell at the fair (Dept N or Dept A), but premiums will still be earned. *There are no “open” divisions or classes in 4-H. You must enter in Crafts/Hobbies/Foods for 4-H or in an “Open” show that is open to everyone in a Dept other than Dept N or Dept A and pay an additional fee in most cases.*
- **”Open” shows are NOT run by 4-H and must be entered in a separate “Handbook” (NOT Dept N or Dept A) and if premiums are earned, they will be separate from 4-H. For questions regarding these shows please contact Montana Fair. (If you enter an open animal show, you are required to pay a stall fee even if you use the same stall for 4-H.)****

- Club Opportunities/Responsibilities that you need to sign up through your club (these things would be entered on 1 form and everyone who works on it can go and interview):
 - Ice Cream Booth (does NOT need to be entered)– County Fundraiser and each club is required to work a shift- it is open the entire time of fair when Dept N is open to the public. Watch the newsletter for your clubs required shift and rules for working the booth. ****Wear your club apparel while you are working!****
 - Booth set up in Dept N (Club) Mon. 8/5 from 8:30am-7:30pm, Wed, 8/7 from 4:00-8:00pm. Each club is in charge of their own booth. Some clubs have a committee that set up the display while others require everyone. It should be done by the members and is a representation of your club at fair! ****If you are nominated for Best of Class and want to sell you must be there at 5:30 on Wed. 8/7 to help set up!!!****
 - Educational booths (Club event) Can have up to 2 (1 lg – full table and 1 small – ½ table). This can provide education on anything and does not have to be 4-H related but must be 4-H appropriate. (Cloverbuds can do this for your club)
 - Club scrapbooks & banners (Club event) – Dept. N

- Some contests, especially in Dept. A, have placement ribbons. For example, showmanship will rank the top 5 contestants, all others will receive a blue, red, or white ribbon based on their performance. In Dept. N, (for projects only – not classes that have “No Project Requirement”, everyone gets a blue, red, or white ribbon based on their interview & exhibit. If the judge thinks you may have the best interview/exhibit for that project, they will give you a “Best of Class Nomination” which will allow you the opportunity to sell that item (foods will have to be remade if sold). Some of the larger projects (photography, cake decorating, woodworking, ceramics and leatherwork are eligible) offer a NOVICE & Sr. NOVICE award, which is recognizing interviews/exhibits by Jr. & Sr. members that have a Best of Class in their first or second year in the project. Premiums will be higher for placement ribbons (Dept. A) and Best of Class nominations as well as Novice awards (Dept. N).

A “premium” is the money that will be earned based on the color of ribbon that is received for exhibits taken to fair. (Fair checks are not usually sent out until after the new 4-H year begins.) ****Cloverbuds do not receive premium money but do get a special ribbon reserved only for them!****

We were all new once – please ASK QUESTIONS!

Read the fair book and make sure you understand deadlines and the areas that pertain to you. (This includes general rules and knowing where to enter which exhibit, what is an “exhibit” or “other unlike item”, if it is entered as a project exhibit or an “open” exhibit, etc.)*****Do not wait until the last minute to get your entry forms in!!!***** It is highly recommended to print the handbooks and highlight all the items that pertain to your members and they are eligible for. Then you can hand write a list of the exhibits you want to take and the contest you want to participate in. This will help you with the on-line entry. Have this list and/or confirmation/receipt of online entry with you to Interview Judging Day in case there are any questions and/or discrepancies.

Please make sure you have a copy of entries, they will come in very handy at interview judging day and throughout the fair.

- Keep in mind while looking through the fair book that it is OK to use something you have already done in your project books or even school projects, as long as they fit the requirements and it was done in this 4-H year. If **you** already have them done and **you** have done all the learning to complete the project, there is no reason why you shouldn't be proud of it and show it off. If you have questions about any of the fair stuff, please ask – your leader, an ambassador or call the office.
- Very important – PLEASE read your fair books and be familiar with the rules, deadlines, and schedules!!!!
- Remember not to sign up for more than you can realistically do. You are only allowed 4 scratches before premiums may be lost!!!
- 4-H families have the opportunity to pre-buy discount fair tickets or wristbands. **They must be purchased when entering the member online.** Tickets/wristbands will be in the exhibitor packet that you can pick up on Interview Judging Day.
- Know where the offices are in case a question comes up. Dept A in Expo by front doors & Dept N is in the small bay near entrance to main part of the Expo. You can always look for one of our Ambassadors as well. If they don't know the answer to your questions they will know where to get it!
- You may notice something that needs changed or could be better. Please come to the post fair meetings where these types of things are addressed. (Dept A is September 4th. Dept N is September 5th.) Everyone, members and parents alike are invited and encouraged to come! Requests for rule changes can also be submitted by anyone but you **must** attend a post fair meeting to be eligible to vote on rule changes.
- It takes a lot of people to make fair run smoothly. In addition to exercising patience and understanding PLEASE do not forget to recognize our countless volunteers, sponsors, buyers as well as your parents and leaders. Fair could not be done without them. Take the time to write a personal Thank You note before, during or after fair to let them know they are appreciated. If not, they may not be back to support you next year! There will be a list after fair of all the sale buyers and chairmen posted after fair, but you can always get a jump on your thank yous by contacting chairmen for a list of sponsors or visit the county website for a list of leaders as well as last years buyer list.
