Introduction to Psychology

Psychology Research Design

Population Genetics

Contact Julia Tietz at cfe@montana.edu if you would like to see the complete syllabus of any of these courses

University of Montana Western is on the block system as well. If you are interested in seeing what classes they offer in your discipline, you can search their catalogue of classes at https://www.umwestern.edu/images/department/registrar/201718_Catalog_as_of_12.11.2017.pdf and then request a syllabus from the department or the instructor.
