Graduation Application Deadline is February 5 – Graduate students must “apply to graduate” by submitting the [Graduation Application form](#). This informs The Graduate School that you intend to finish your graduate studies by the end of the term. Once the form is submitted, The Graduate School’s Degree Programs & Certification specialists will conduct a “first audit” to verify that the program of study has been followed and that all degree or certificate requirements are on track for completion. This first audit is to allow ample time to correct any deficiencies and take any actions that might be required. Questions: 406-994-4145, degreesandcertificates@montana.edu, or visit us in Montana Hall room 9.

Program of Study Deadline is May 6

- Master’s students must submit the [form](#) to The Graduate School by the end of their second semester of attendance.
- Doctoral students have until the end of their third semester.
- Certificate students must submit by the end of their first semester.

A one-time fee of \$50.00 covers initial filing and any subsequent revisions. See the [Program of Study policy](#) (Section 5.3 for Masters, 5.4 for doctoral, 5.4 for certificate) or contact degreesandcertificates@montana.edu.
