Reminder: MSU Writing Center Offers Cross-Disciplinary Graduate Writing Groups for Spring 2018

In a writing group, you have an immediate audience of peers for testing your ideas and writing, and you have access to others' processes and revisions, which may inform your own. A Writing Center facilitator will help guide the discussion, but the sessions ultimately revolve around the needs of the group.

If you are interested, please share your contact, preference, and scheduling information [via this Google form](#). The Writing Center will contact you with more information concerning dates and times.
