Keep yourself and others healthy
PLEASE DO THE FOLLOWING:

KEEP A 6-FOOT DISTANCE — IN EVERY DIRECTION — BETWEEN YOU AND OTHERS.
If not possible, please seek out another lab or another time.

✓ Wash your hands before entering lab
✓ Wipe down keyboard, mouse and desktop surface before you start working
✓ Wipe down again, when you finish working
✓ Wash your hands again immediately after leaving the lab

Working together,
WE CAN KEEP OURSELVES AND OTHERS HEALTHY!
