## Montana State University Honors College Directed Interdisciplinary Studies Degree

| Name:                 | Student ID:      |                    | Date: |
|-----------------------|------------------|--------------------|-------|
| Local Address:        |                  |                    |       |
| Permanent Address:    |                  |                    |       |
| Cell Phone:           | Preferred Email: |                    |       |
| Year in School:       | Current GPA:     | Credits Completed: |       |
| Proposed Disciplines: |                  |                    |       |
| 1                     |                  | Advisor:           |       |
| 2                     |                  | Advisor:           |       |
| 3                     |                  | Advisor:           |       |

Please attach a separate document for the two essay questions. Limit your answers to 1,000 words each.

- 1. Comment briefly on your undergraduate education thus far, and give an account of why an interdisciplinary program is particularly appropriate to your intellectual/academic goals.
- 2. Describe how the D.I.S. Program will facilitate your post-graduation goals.
- 3. Complete D.I.S. Project Proposal (below)
