Honors Student Name: \_\_\_\_\_

Student ID: \_\_\_\_\_

Date Submitted: \_\_\_\_\_

The Departmental Thesis is an independent research/creativity project that enables Honor students to synthesize what they have learned. Group projects are acceptable, if the student outlines what their specific contributions to the project will be. Please indicate the duration and credits desired on the lines below (1-6 credits/semester). In the proposal itself, please outline the groundwork necessary to do the project, describe the project itself, include a timeline (such as proposal/draft/final deadlines, scheduled meetings with advisors, etc.), and indicate what results are expected and/or desired. Although Thesis credits will have departmental designation, they will be counted towards an Honors College Baccalaureate degree.
