2. Directions

1. The Graduation Application process is a multi-step process. You should apply for graduation the semester before you intend to complete your degree requirements. Students planning to graduate in the spring should apply by October 1st. Students planning to graduate in summer or fall should apply by March 1st.

2. Prior to submitting your application for graduation your Advisor and Certifying Officer must authorize your application by placing specific notes in Degreeworks. YOU WILL NEED ADVISOR AND CERTIFYING OFFICER NOTES FOR EVERY CREDENTIAL YOU SEEK. If you are seeking a minor, second major, second degree, certificate, etc., you need to have the advisor and certifying officer for that program of study enter the appropriate notes in Degreeworks.
   a. Meet with your advisor to review your DegreeWorks to ensure your file is accurate and that you are on track to graduate.
      i. If changes must be made to your curriculum (adding or dropping a minor for example), please utilize the Curriculum Change form to change your curriculum information.
      ii. If your advisor approves your plan for graduation, they will put a note in DegreeWorks that they have approved your application for graduation.

      iii. Ask your Advisor how best to get Certifying Officer approval to apply for graduation. Some advisors are certifying officers, some departments advance the request to the certifying officer on your behalf, most departments will have you set up a second meeting with your certifying officer.
   b. Next, work with your department to have the Certifying Officer review your curriculum and plan to graduate. Once they have confirmed your DegreeWorks worksheet is in order, they will put a note in your Degree Works:
