See farm to school in action this fall!

WHAT: This October, two Montana Farm to School Showcases provide opportunities to see sites around the state successfully implement farm to school. Attendees will learn how farm to school is implemented in the cafeteria, classroom, and community; and will be equipped with the information and resources to start or grow farm to school in their community. Those in attendance will get the inside scoop on building partnerships to grow the movement in their community.

WHO: Anyone interested in being part of growing a vibrant farm to school program!
