

Is It a
Fit?

USDA DoD Fresh

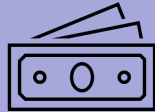

Does geography limit your options for produce suppliers? The DoD Fresh vendor will deliver to all Montana Schools.

Location

Looking for ways to simplify? DoD Fresh orders are not invoiced. Funds are deducted from your FFAVORS account.

Paperwork

Delivery is weekly or bi-weekly according to vendor schedule. Are you willing to adhere to the ordering timeline for your location?

Delivery

The minimum order amount is \$150. Do you serve enough students to meet the order minimum?

Volume

The USDA DoD Fresh Program allows schools to use USDA Foods entitlement funds to buy fresh produce throughout the school year.

Questions To Ask

Consider these points to help decide if participation makes sense for your school.

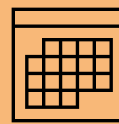

Technology

Do you have internet service and a computer readily available? All order management is done online in the FFAVORS system.

Buy Local

Are you committed to local purchasing? Listings in the FFAVORS catalog include State of origin to identify regionally grown products.

Frequency

Can you allocate sufficient funds to order on a regular basis? Sporadic ordering can lead to frustration.

Compliance

Want to streamline purchasing? Commercial procurement guidelines do not apply to USDA Foods.
