UNIVERSITY COLLEGE
OF NURSING**

POLICY # A-8

TITLE: COLLEGE OF NURSING SCHOLASTIC COMMITTEE

POLICY: The Scholastic Committee considers students' appeals for waivers and substitutions of courses, variances in progression, and reinstatement into the College of Nursing.

RATIONALE: The MSU Faculty Handbook and the University Catalog provide for a scholastic committee for each college. The inclusion of such a committee in the college's administrative structure protects the rights of students to an impartial hearing, fosters an attitude of trust in the due process structure of the college, and enables faculty to participate in the administration of standards they have established.
