

**MONTANA STATE UNIVERSITY
COLLEGE OF NURSING
POLICY # C-17**

TITLE: **Drop Policy for Upper Division Nursing Courses of Less Than 16 Weeks Duration**

POLICY: When College of Nursing (CON) courses are less than the traditional length semester, CON staff/faculty will follow MSU Registrar's Office Policies for drop dates.

RATIONALE:In order to allow for alternative course length at upper division campuses where Accelerated BSN courses are taught, some courses are taught in shorter, compressed time blocks rather than over the 16 week semester. This policy is an adaptation of the Montana State University policy to accommodate the compressed courses.

PROCEDURES: See the Procedures section of the Policy & Procedures Manual
