

**MONTANA STATE UNIVERSITY
COLLEGE OF NURSING**

POLICY # D-2

TITLE: MASTERS AND DOCTORAL DEGREE POLICIES

POLICY: The Graduate School has general oversight of all graduate students. For registration, grading, and academic policies plus other guidance consult The Graduate School website: <http://www.montana.edu/wwwdg/>.

Policies and Procedures for Master's students originate from The Graduate School and must be followed for students to earn their degree and graduate. See http://www.montana.edu/gradschool/policy/degreq_masters.html

Policies and Procedures for doctoral students originate from The Graduate School and must be followed for students to earn their degree and graduate. See http://www.montana.edu/gradschool/policy/degreq_doctoral.html

RATIONALE:

MN and DNP degree requirements are established by the MSU College of Nursing; however, MN and DNP students graduate from The Graduate School at MSU. Graduate students and faculty should be familiar with all degree requirements as put forth by the College of Nursing degree requirements and all policies from The Graduate School. The Associate Dean for Graduate Education is the liaison between the College of Nursing and The Graduate School.
