APPENDIX D - Estimated fee Determination Sheet, approved annwally
APPENDIX E - Actual Use Report Format
APPENDIX F - Authorized Officer's Outfitter and Guide Performance Evaluation Criteria
APPENDIX G - Other

I. GENERAL TERMS

A. AUTHORITY. This permit is issued pursuant to Federal Lands Recreation Enhancement Act, 16 U.S.C. 6802(h), and 36 C.F.R. Part 251, Subpart 8, as amended, and is subject to their provisions.

B. AUTHORIZED OFFICER. The authorized officer is the Forest Supervisor or a subordinate officer with authority.

C. TERM. This permit will expire at midnight on 08/31/2030. Expiration of this permit shall not require notice, a decision document, or any environmental analysis or other documentation.

D. RENEWAL. This permit may be renewed upon expiration, provided the use is consistent with the applicable land management plan, applicable laws and regulations, and the terms of this permit and the holder has performed satisfactorily under this permit, as demonstrated by acceptable annual performance reviews. If the holder wants this permit to be renewed, the holder must notify the authorized officer in writing at least 6 months before this permit expires. The decision whether to issue a new permit to the holder is at the sole discretion of the Forest Service. The authorized officer may prescribe new terms and conditions for a new permit.

E. AMENDMENT. This permit may be amended in whole or in part by the Forest Service when, at the discretion of the authorized officer, such action is deemed necessary or desirable to incorporate new terms that may be required by law, regulation, directive, the applicable forest and resource management plan, or projects and activities implementing a land management plan pursuant to 36 CFR 218.

F. COMPLIANCE WITH LAWS, REGULATIONS, AND OTHER LEGAL REQUIREMENTS. In exercising the rights and privileges granted by this permit, the holder shall comply with all present and future federal laws and regulations, all state laws, and municipal laws, and all legal requirements that apply to the permit area, to the extent that they do not conflict with federal law, regulation, or policy. The Forest Service assumes no responsibility for enforcing laws, regulations, and other legal requirements that fall under the jurisdiction of other governmental entities.

G. NON-EXCLUSIVE USE. The use and occupancy authorized by this permit are not exclusive. The Forest Service reserves the right to access to the permit area, including a minimum right of physical entry to the permit area for inspection, monitoring, or any other purpose consistent with; any right or obligation of the United States under any law or regulation. The Forest Service reserves the right to allow others to use the permit area in any way that is not inconsistent with the holder's rights and privileges under this permit, after consultation with all parties involved. Except for any restrictions that the holder and the authorized officer agree are necessary to protect the installation and operation of authorized temporary improvements, the lands and waters covered by this permit shall remain open to the public for all lawful purposes.

H. CHANGE IN CONTROL

1. Notification. The holder shall notify the authorized officer when a change in control of the business entity that holds this
permit is planned.

(a) In the case of a corporation, control is an interest, beneficial or otherwise, of sufficient outstanding voting securities or capital of the business so as to permit the exercise of managerial authority over the actions and operations of the corporation or election of a majority of the board of directors of the corporation.

(b) In the case of a partnership, limited partnership, joint venture, or individual entrepreneurship, control is a beneficial ownership of or interest in the entity or its capital so as to permit the exercise of managerial authority over the actions and operations of the entity.

(c) In other circumstances, control is any arrangement under which a third party has the ability to exercise management authority over the actions or operations of the business.

2. Termination. This permit is not transferable. Any change in control of the business entity as defined in clause I.H.1 shall cause this permit to terminate upon issuance of a new permit to another party for the use and occupancy authorized by this permit. The party who acquires control of the business entity must submit an application for a permit for the type of use and occupancy authorized by this permit. Issuance of a new permit to the party acquiring control shall be at the sole discretion of the authorized officer. The authorized officer shall determine that the applicant meets requirements under federal regulations.

I. LIMITATIONS. Nothing in this permit gives or implies permission to build or maintain any structure or facility or to conduct any activity, unless specifically provided for in this permit. Any use not specifically identified in this permit must be proposed in accordance with 36 CFR 251.54. Approval of such a proposal through issuance of a new permit or permit amendment is at the sole discretion of the authorized officer.

II. OPERATIONS

A. FIVE-YEAR OPERATING PLAN. The 5-year operating plan, which shall be attached to this permit as Appendix B, shall be submitted by the holder and approved by the authorized officer before the holder conducts any services authorized by this permit. The holder shall prepare, annually review, and revise as needed the 5-year operating plan by date before start of operating season every 5 years, in consultation with the authorized officer. At a minimum, the five-year operating plan shall include: (1) the season of use for authorized outfitting and guiding activities, including the start and stop date of operations; (2) limitations on use established by the Forest Service (including fire restrictions); (3) the fee calculation option to be used and a completed Estimated Fee Determination Sheet (appendix D); and (4) any of the following that are applicable: (a) a process for submitting trip itineraries (appendix C); (b) guidelines and limits for Incidental grazing; (c) location and layout of assigned sites to be used for base, spike, and drop camps or other purposes; and (d) authorized temporary improvements on National Forest System lands, including a schedule for their construction and removal (e) identity and schedule for any inspections that the holder is required to conduct at the holder's expense.

B. ITINERARY. The holder shall submit an itinerary for each type of trip.

C. PERFORMANCE REVIEW AND EVALUATION. The holder's compliance with the terms and conditions of this permit and the five-year or annual operating plan is subject to annual performance review and evaluation by the authorized officer. The holder's performance will be documented using the Outfitter and Guide Performance Evaluation Criteria, Appendix F.

D. TEMPORARY IMPROVEMENTS. No permanent improvements may be constructed under this permit. Temporary improvements with negligible value, such as hitching posts, corrals, tent frames, and shelters, may be approved by the authorized officer in the five-year or annual operating plan. Plans and revisions to plans for design, development, and layout of temporary improvements must have prior written approval from the authorized officer.

E. PROHIBITION ON ASSIGNMENT OF USE. The holder may not assign all or part of the authorized use to others.

F. PERFORMANCE OF SUPPORT SERVICES. As a general rule, the holder shall conduct the day-to-day activities authorized by this permit. Activities that support the use authorized by this permit, such as food or shuttle services, may be conducted by a party other than the holder, but only with prior written approval from the authorized officer. The holder shall continue to be responsible for compliance with all the terms of this permit.

G. MAINTENANCE. The holder shall maintain authorized temporary improvements and the permit area to standards of repair, orderliness, neatness, sanitation, and safety acceptable to the authorized officer and consistent with other
provisions of this authorization. The holder shall comply with inspection requirements deemed by the authorized officer.

H. - Signs posted on National Forest System trails must have prior written approval of the authorized officer.

I. NONDISCRIMINATION

The holder and its employees shall not discriminate against any person on the basis of race, color, sex in educational activities, national origin, age, or disability or by curtailing or refusing to furnish accommodations, facilities, services, or use privileges offered to the public generally. In addition, the holder and its employees shall comply with the provisions of Title VI of the Civil Rights Act of 1964 as amended, Section 504 of the Rehabilitation Act of 1973, as amended, Title IX of the Education Amendments Act of 1972, as amended, and the Age Discrimination Act of 1975, as amended.

2. The holder shall include and require compliance with the above nondiscrimination provisions in any third-party agreements made with respect to the operations authorized under this permit.

3. The Forest Service shall furnish signs setting forth this policy of nondiscrimination. These signs shall be conspicuously displayed at the public entrance to the permit area and all other exterior facilities, as directed by the Forest Service.

4. The Forest Service shall have the right to enter into agreements with the holder and its employees for the purpose of carrying out the requirements of this permit.

J. EQUAL ACCESS TO FEDERAL PROGRAMS. In addition to the above nondiscrimination policy, the holder agrees to ensure that its programs and activities are open to the general public on an equal basis and without regard to any non-merit factor.

K. SANITATION. The operation and maintenance of sanitation and food service systems and facilities shall comply with applicable standards set by state and local health departments.

L. REFUSE DISPOSAL. The holder shall comply with all applicable federal, state, and local requirements related to the disposal of any refuse resulting from the use and occupancy authorized by this permit.

M. REMOVAL AND PLANTING OF VEGETATION. This permit does not authorize the culling of limber or other vegetation. Trees or shrubbery may be removed or destroyed only after the authorized officer has approved the action. Timber cut or destroyed shall be paid for at current stumpage rates for similar timber in the CUSTER GALLATIN NATIONAL FOREST. The Forest Service reserves the right to dispose of the merchantable timber to those other than the holder at no stumpage cost to the holder. Unmerchantable material shall be disposed of as directed by the authorized officer. Planting of trees, shrubs, and other plants in the permit area must have prior written approval from the authorized officer.

N. FAILURE TO EXERCISE AUTHORIZED PRIVILEGES. During the 5th year of operation and upon termination, the authorized officer shall review actual use and adjust the allocation of use to match the highest amount of actual use in the calendar year during the first 5 years of operation, plus 25 percent of that amount for holders with less than 1,000 service days or the equivalent in quotas for holders with more than 1,000 service days or the equivalent in quotas provided that:

1. The combination of the highest amount of actual use in the 5 years of operation and the additional 25 percent of use not allocated at the time the permit was issued; and

2. To ensure that the 5 years of use are available for review as a basis for the allocation adjustment, the authorized officer shall adjust the review period to include a previous or an additional year of use based on a finding that extraordinary circumstances prevented a fair evaluation of operation.

O. RESTRICTION OF MOTOR VEHICLE USE. Motor vehicle use shall be consistent with designations made under 36 CFR Part 212, Subpart B, unless specifically provided otherwise in the operating plan. Over-snow vehicle use shall be consistent with designations made under 36 CFR Part 212, Subpart C, unless specifically provided otherwise in the operating plan.

P. ADVERTISING. The holder shall not misrepresent in any way, either orally, in its pamphlets, brochures, advertising, and other materials, or on its signs, its authorizations issued under this permit, including services.
provided by the holder, the status of this permit, or the area it covers. All of the holder’s circulars, brochures, and advertising and its website regarding use of the permit are to state that the permit area is located in the CUSTER GALLATIN NATIONAL FOREST.

Q. NOXIOUS WEED/EXOTIC PLANT PREVENTION AND CONTROL. The holder shall be responsible for the prevention and control of noxious weeds and/or exotic plants arising from the authorized use. For purposes of this clause, noxious weeds and exotic plants include those species recognized as such by the Custer Gallatin National Forest. The holder shall follow prevention and control measures required by the Custer Gallatin National Forest. When determined to be necessary by the authorized officer, the holder shall develop a plan for noxious weed and exotic plant prevention and control. These plans must have prior written approval from the authorized officer and, upon approval, shall be attached to this permit as an appendix.

R. WEED-FREE HAY. The holder shall use only hay, grain, straw, pelleted feed, or mulch certified as noxious weed-free or noxious weed seed-free by a State Department of Agriculture or other authorized county official. The holder shall provide documentation of such certification to the authorized officer.

R. RIGHTS AND LIABILITIES

A. LEGAL EFFECT OF THE PERMIT. This permit, which is revocable and terminable, is not a contractor a lease, but rather a federal license. The benefits and requirements conferred by this authorization are revocable solely under the procedures set forth in 36 CFR Part 211-4, and 5 U.S.C. 704. This permit does not constitute a contract for purposes of the Contract Disputes Act, 41 U.S.C. 601. The permit is not real property, does not convey any interest in real property, and may not be used as collateral for a loan.

B. VALID EXISTING RIGHTS. This permit is subject to all valid existing rights. Valid existing rights include those derived under mining and mineral leasing laws of the United States. The United States is not liable to the holder for the exercise of any such right.

C. ABSENCE OF THIRD-PARTY BENEFICIARY RIGHTS. The parties to this permit do not intend to confer any rights on any third party as a beneficiary under this permit.

D. WATER RIGHTS. This permit does not confer any water rights on the holder. Water rights are not required by statute and may not be acquired to exercise the minor water uses authorized by this permit.

E. SERVICES NOT PROVIDED. This permit does not provide for the furnishing of road or trail maintenance, water, fire protection, search and rescue, or any other service by a government agency, utility, association, or individual.

F. RISK OF LOSS. The holder assumes all risk of loss associated with use and occupancy of the permit area, including but not limited to theft, vandalism, fire and any fire-fighting activities (including prescribed burns), avalanches, rising waters, winds, falling limbs or trees, and other forces of nature. If authorized temporary improvements in the permit area are destroyed or substantially damaged, the authorized officer shall conduct an analysis to determine whether the improvements can be safely occupied in the future and whether rebuilding should be allowed.

G. DAMAGE TO UNITED STATES PROPERTY. The holder has an affirmative duty to protect from damage the land, property, and other interests of the United States that are associated with the use and occupancy authorized by this permit. Damage includes but is not limited to destruction of or damage to National Forest lands covered by this permit, fire suppression costs, and destruction of or damage to government and improvements covered by this permit.

1. The holder shall be liable for all injury, loss, or damage, including fire suppression, or other costs resulting from rehabilitation or restoration of natural resources associated with the use and occupancy authorized by this permit. Compensation shall include but not be limited to the value of resources damaged or destroyed, the costs of reforestation, cleanup or other mitigation, fire suppression or other types of abatement costs, and all administrative, legal (including attorney’s fees), and other costs in connection therewith.

2. The holder shall be liable for damage to all roads and trails of the United States open to public use caused by use of the holder or the holder’s heirs, assigns, agents, employees, contractors, or lessees to the same extent as provided under clause m.F.1, except that liability shall not include reasonable and ordinary wear and tear.

H. HEALTH AND SAFETY. The holder shall address the health and safety of its employees, agents, employees, contractors, or lessees to the same extent as provided under clause m.F.1, except that liability shall not include reasonable and ordinary wear and tear.
a hazard to public health or the safety of the holder's employees, agents, or clients. The holder shall as soon as practicable notify the authorized officer of all serious accidents that occur in connection with such activities. The Forest Service has no duty under the terms of this permit to inspect the permit area or operations and activities of the holder for hazardous conditions or compliance with health and safety standards.

I. ENVIRONMENTAL PROTECTION

1. For purposes of clauses 111.1 and V, "hazardous material" shall mean (a) any hazardous substance under section 101(14) of Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), 42 U.S.C. 9601(14); (b) any pollutant or contaminant under section 101(33) of CERCLA, 42 U.S.C. 9601(33); (c) any petroleum product or its derivative, including fuel oil, and waste oils; and (d) any hazardous substance, extremely hazardous substance, toxic substance, hazardous waste, ignitable, explosive or corrosive materials, pollutant, contaminant, element, compound, mixture, solution or substance that may pose a present or potential hazard to human health or the environment under any applicable environmental laws.

2. The holder shall avoid damaging or contaminating the environment, including but not limited to the soil, vegetation (such as trees, shrubs, and grass), surface water, and groundwater, during the holder's use and occupancy of the permit area. Environmental damage includes but is not limited to all costs and damages associated with or resulting from the release or threatened release of a hazardous material occurring during or as a result of activities of the holder or the holder's heirs, assigns, agents, employees, contractors, or lessees, on, off, or related to, the lands, property, and other interests covered by this permit. If the environment or any government property covered by this permit becomes damaged in connection with the holder's use and occupancy, the holder shall as soon as practicable repair the damage or replace the damaged items to the satisfaction of the authorized officer and at no expense to the United States.

3. The holder shall as soon as practicable, at; completely as possible, and in compliance with all applicable laws and regulations abate any activity or condition arising out of or relating to the authorized use and occupancy that causes or threatens to cause harm to the environment, including areas of vegetation or timber, fish or other wildlife populations, their habitats, or any other natural resources.

J. INDEMNIFICATION OF THE UNITED STATES. The holder shall indemnify, defend, and hold harmless the United States for any costs, damages, claims, liabilities, and judgments arising from past, present, and future acts or omissions of the holder in connection with the use and occupancy authorized by this permit. This indemnification and hold harmless provision includes but is not limited to acts and omissions of the holder or the holder's heirs, assigns, agents, employees, contractors, or lessees in connection with the use and occupancy authorized by this permit which result in (1) violations of any laws and regulations which are now or which may in the future become applicable; (2) judgments, claims, demands, penalties, or fees assessed against the United States; (3) costs, expenses, and damages incurred by the United States; or (4) the release or threatened release of any solid waste, hazardous waste, hazardous substance, pollutant, contaminant, oil in any form, or petroleum product into the environment. The authorized officer may prescribe terms that allow the holder to replace, repair, restore, or otherwise undertake necessary curative actions to mitigate damages in addition to or as an alternative to monetary indemnification.

K. INSURANCE. The holder shall furnish proof of insurance, such as a certificate of insurance, to the authorized officer prior to issuance of this permit and each year thereafter that this permit is in effect. The Forest Service reserves the right to review the insurance policy and require any changes needed to ensure adequate coverage of the United States in connection with the authorized use and occupancy. The holder shall send an authenticated copy of any insurance policy obtained pursuant to this clause to the authorized officer immediately upon issuance of the policy. Any insurance policies obtained by the holder pursuant to this clause shall name the United States as an additional insured, and the additional insured provision shall provide for insurance coverage for the United States as required under this clause and to the extent of the full limits of insurance available to the holder. The holder shall give 30 days prior written notice to the authorized officer of cancellation of or any modification to the insurance policy. The certificate of insurance, the authenticated copy of the insurance policy, and written notice of cancellation or modification of insurance policies should be sent to 3710 Fallon Street, Suite C, Bozeman, MT 69718. Minimum amounts of coverage and other insurance requirements are subject to change at the sole discretion of the authorized officer on the anniversary date of this permit.

1. Liability. The holder shall have in force liability insurance covering losses associated with the use and occupancy authorized by this permit arising from personal injury or death and third-party property damage in the minimum amount of $500,000 as a combined single limit per occurrence.

2. Depending on the holder's operations, the Forest Service may require the holder to demonstrate the availability of funds to address any release or threatened release of hazardous materials that may occur in connection with the holder's use and occupancy. Any requirements imposed would be established on a case-by-case basis by the authorized officer based
on the degree of environmental risk from the holder's operations. The use and storage of normal maintenance supplies generally would not trigger financial assurance requirements.

IV. RESOURCE PROTECTION

8. VANDALISM. The holder shall take reasonable measures to prevent and discourage vandalism and disorderly conduct and when necessary shall contact the appropriate law enforcement officer.

C. PESTICIDE USE

1. Authorized Officer Concurrence. Pesticides may not be used outside of buildings in the permit area to control pests, including noxious woody and herbaceous vegetation (including aquatic plants), insects, birds, rodents, or fish without prior written concurrence of the authorized officer. Only those products registered or otherwise authorized by the U.S. Environmental Protection Agency and appropriate State authority for the specific purpose planned shall be authorized for use within areas on National Forest System lands.

2. Pesticide Use Proposal. Requests for concurrence of any planned uses of pesticides shall be provided in advance using the Pesticide Use Proposal (form FS-2100-2). Annually the holder shall, on the due date established by the authorized officer, submit requests for any new, or continued, pesticide usage. The Pesticide Use Proposal shall cover a 12-month period of planned use. The Pesticide-Use Proposal shall be submitted at least 60 days in advance of pesticide application. Information essential for review shall be provided in the form specified. Extensions to this schedule may be allowed, subject to emergency request and approval, only when unexpected outbreaks of pests require control measures which were not anticipated at the time a Pesticide-Use Proposal was submitted.

3. Labeling Laws and Regulations. Labeling instructions and all applicable laws and regulations shall be strictly followed in the application of pesticides and disposal of excess materials and containers. No pesticide waste, excess materials, or containers shall be disposed of in any area administered by the Forest Service.

D. ARCHAEOLOGICAL AND PALEONTOLOGICAL DISCOVERIES. The holder shall immediately notify the authorized officer of any antiquities or other objects of historic or scientific interest, including but not limited to historic or prehistoric ruins, fossils, or artifacts discovered as the result of operations under this permit. The holder shall follow the applicable inadvertent discovery protocols for the undertaking provided in an agreement executed pursuant to section 106 of the National Historic Preservation Act, 54 U.S.C. 2901 et seq.; if there are no such agreed-upon protocols, the holder shall leave such discoveries intact until consultation has occurred, as informed, if applicable, by any programmatic agreement with tribes. Protective and mitigation measures developed under this clause shall be the responsibility of the holder. However, the holder shall give the authorized officer written notice before implementing these measures and shall coordinate with the authorized officer for proximate and contextual discoveries extending beyond the permit area.

E. NATIVE AMERICAN GRAYES PROJECTION AND REPATRIATION ACT (NAGPRA). In accordance with 25 U.S.C. 300h(d) and 43 CFR 10.4, if the holder inadvertently discovers human remains, funerary objects, sacred objects, or objects of cultural patrimony on National Forest System lands, the holder shall immediately cease work in the area of such discovery and shall make a reasonable effort to protect and secure the items. The holder shall follow the applicable NAGPRA protocols for the undertaking provided in the NAGPRA plan of execution or the NAGPRA comprehensive agreement; if there are no such agreed-upon protocols, the holder shall as soon as practicable notify the authorized officer of the discovery end shall follow up with written confirmation of the discovery. The activity shall result in the inadvertent discovery may not resume until 30 days after the forest archaeologist certifies receipt of the written confirmation, if resumption of the activity is otherwise lawful, or at any time (if binding written agreement has been executed between the Forest Service and the affiliated Indian tribes) this adopts a recovery plan for the human remains and objects.

F. PROTECTION OF THREATENED AND ENDANGERED, SENSITIVE SPECIES, AND SPECIES OF CONSERVATION CONCERN AND THEIR HABITAT

1. Threatened and Endangered Species, and Their Habitat. The location of sites within the permit area needing special

specified appendix to this permit and may be shown on the ground. The holder shall take any protective and mitigatory measures specified by the authorized officer as necessary and appropriate to avoid or reduce effects on listed species or designated critical habitat affected by the authorized use and occupancy. Discovery by the holder or the Forest Service of other sites within the permit area containing threatened or endangered species or species of conservation concern pursuant to FSM 2670 shall be shown on a map in an appendix to this permit and may he shown on the ground. The holder shall take any protective measures specified by the authorized officer as necessary and appropriate to avoid or reduce effects on listed species or species of conservation concern or their habitat affected by the authorized use and occupancy. Discovery by the holder or the Forest Service of other sites within the permit area containing sensitive species or species of conservation concern or their habitat not shown on the map in the appendix shall be promptly reported to the other party and shall be added to the map.

2. Sensitive Species and Species of Conservation Concern and Their Habitat. The location of sites within the permit area needing special measures for protection of plants or animals designated by the Regional Forester as sensitive species or as species of conservation concern pursuant to FSM 2670 shall be shown on a map in an appendix to this permit and may be shown on the ground. The holder shall take any protective measures specified by the authorized officer as necessary and appropriate to avoid or reduce effects on listed species or species of conservation concern or their habitat affected by the authorized use and occupancy. Discovery by the holder or the Forest Service of other sites within the permit area containing sensitive species or species of conservation concern or their habitat not shown on the map in the appendix shall be promptly reported to the other party and shall be added to the map.

H. CONSENT TO STORE HAZARDOUS MATERIALS. The holder shall not store any hazardous materials at the site without prior written approval from the authorized officer. This approval shall not be unreasonably withheld. If the authorized officer provides approval, the permit shall include, or in the case of approval provided after this permit is issued, shall be amended to include specific terms concerning the storage of hazardous materials, including the specific type of materials to be stored, the volume, the type of storage, and a spill plan. Such terms shall be proposed by the holder and are subject to approval by the authorized officer.

I. CLEANUP AND REMEDIATION

1. The holder shall immediately notify all appropriate response authorities, including the National Response Center and the authorized officer, of any oil discharge or of the release of a hazardous substance at the site in an amount greater than or equal to its reportable quantity, in accordance with 33 CFR Part 115. For the purposes of this requirement, “oil” is as defined by section 311(o)(1) of the Clean Water Act, 33 U.S.C. 1321(a)(1). The holder shall immediately notify the authorized officer upon knowledge of any release or threatened release of any hazardous materials that occurs either on site or in connection with the holder's activities, whether or not those activities are authorized under this permit. The holder shall perform cleanup or remediation immediately upon discovery of the release, threat of release, or discharge of hazardous materials. The holder shall perform the cleanup or remediation to the satisfaction of the authorized officer.

2. Except with respect to any federally permitted release as that tennis defined under Section 101(10) of CERCLA, 42 U.S.C. 9601(10), the holder shall clean up or otherwise remediate any release, threat of release, or discharge of hazardous materials that occurs either on site or in connection with the holder's activities, whether or not those activities are authorized under this permit. The holder shall perform cleanup or remediation immediately upon discovery of the release, threat of release, or discharge of hazardous materials. The holder shall perform the cleanup or remediation to the satisfaction of the authorized officer.

V. LAND USE FEE AND DEBT COLLECTION

A. LAND USE FEE. The holder shall pay to the USDA, Forest Service, an annual land use fee for the term of this permit based on the fair market value of the use and occupancy authorized by this permit. The annual land use fee shall include a commercial use fee and, if applicable, an assigned site fee and grazing fee, as enumerated in clauses V.B, V.C, and V.D. The minimum annual land use fee for the authorized use and occupancy shall be $115.00. The holder shall pay the annual land use fee in accordance with clause V.C.1 and 36 CFR 261 Subpart E.

(a) DeOnlInQOS Q
(1) **Adjusted Gross Revenue.** Gross revenue and revenue additions less applicable exclusions.

(2) **Gross Revenue.** The total amount of receipts from the sale of goods or services provided by the holder or third party under the permit.

(3) **Revenue Additions.** The market value of the following items, which are added to gross revenue:

   (a) The value of goods and services that are donated or the value of goods and services that are bartered in exchange for goods and services received that are directly related to the outfitted or guided trip; and

   (b) The value of gratuities, which are goods, services, or privileges that are not available to the general public and that are donated or provided without charge by organizations; the holder's employees, officers, or immediate family members of the holder's employees, owners, or officers.

(4) **Miscellaneous Exclusions.** The following are excluded from gross revenue:

   (a) Revenue derived from goods or services sold on private land that are not related to outfitting and guiding operations conducted on National Forest System lands, such as souvenirs, telephone toll charges, and accident insurance sales.

   (b) Amounts paid or payable to a State government licensing authority or recreation administering agency from sales of hunting or fishing licenses and 1 concession fee tickets.

   (c) Revenue from the sale of operating equipment, rental equipment, capitalized assets, or other assets used in outfitting and guiding operations, such as horses, tack, watercraft, and rental skis and boots, which are sold periodically and replaced.

2. **Assigned Site Fee.** A fee shall be charged for the occupancy of National Forest System silos assigned to the holder. Assigned site fees shall not be prorated; the holder shall pay the annual fee for each assigned site. No refunds or credits will be given for unoccupied or unused assigned sites.

3. **Grazing Fee.** A fee shall be charged for grazing livestock used in conjunction with the use and occupancy authorized by this permit. No refunds or credits will be given for grazing livestock used in conjunction with the use and occupancy authorized by this permit.

B. **PAYMENT SCHEDULE.** The holder shall pay the annual estimated land use fee, including the fee for commercial use, assigned site fee, and grazing fee, in advance of the authorized use, as follows:

1. **Single Payment.** The holder shall pay the total annual estimated fee in advance when it is less than $500.

2. **Two Payments.** The holder shall pay half the total annual estimated fee in advance and the remainder by mid-season when the total is equal to or greater than $500, but less than $2,500.

3. **Three Payments.** The holder shall pay one-third of the total annual estimated fee in advance and the remainder in two equal payments by mid-season when the total is $2,500 or more.

4. **Final Payment.** The Forest Service shall reconcile annually the actual land use fee against land use fee payments made. The holder shall pay any additional fees owed after the first year operation within 30 days of billing.

C. **DOCUMENTATION OF REVENUE:** The holder shall provide documentation of use and revenue for purposes of land use fee verification.

1. **Actual Use Report.** Within 30 days of completion of the holder's approved operating season, the holder shall submit the authorized officer a statement of income reporting the results of the holder's annual operations. The statement shall include gross revenue, the value of donated goods and services, services, the value of gratuities, the value and description of items excluded from gross revenue, and all adjustments, such as taxes deducted, and shall be broken down by permitted activities.

D. **FEE PAYMENT** 1S81JES
1. **Credit/ing of Payments.** Payments shall be credited on the date received by the deposit facility, except that if a payment is received on a non-workday, the payment shall not be credited until the next workday.

2. **Disputed fees.** Fees are due and payable by the due date. Disputed fees must be paid in full. Adjustments will be made if dictated by settlement agreements or an appeal decision.

3. **Late payments.**
   
   (a) **Interest.** Pursuant to 31 U.S.C. 3717 et seq., interest shall be charged on any fee amount not paid within 30 days from the date it became due. The rate of interest assessed shall be the higher of the Prompt Payment Act rate or the rate of the current value of funds to the Treasury (i.e., the Treasury tax and loan account rate), as prescribed and published annually or quarterly by the Secretary of the Treasury in the Federal Register and Treasury Fiscal Requirements Manual Bulletins. Interest on the principal shall accrue from the date the fee amount is due.
   
   (b) **Administrative Costs.** If the account becomes delinquent, administrative costs to cover processing and handling the delinquency shall be assessed.
   
   (c) **Penalties.** A penalty of 5% per annum shall be assessed on the total amount that is more than 90 days delinquent and shall accrue from the same date on which interest charges begin to accrue.
   
   (d) **Tardiness for Nonpayment.** This permit shall terminate without the necessity of prior notice and opportunity to cure by the holder when any delinquent fee is 90 calendar days from the due date in arrears. The holder shall be responsible for the delinquent fees, as well as any other costs of restoring the site to its original condition, including hazardous waste cleanup.

4. **Administrative Offset and Credit Reporting.** Delinquent fees and other charges associated with the permit shall be subject to all rights and remedies afforded the United States pursuant to 31 U.S.C. 3711 et seq. and common law. Delinquencies are subject to any of the following:
   
   (a) Administrative offset of payments due the holder from the Forest Service.
   
   (b) If in excess of 60 days, referral to the United States Department of the Treasury for appropriate collection action as provided by 31 U.S.C. 3711(g)(1).
   
   (c) Offset by the Secretary of the Treasury of any amount due the holder, as provided by 31 U.S.C. 3720 et seq.
   
   (d) Disclosure to consumer or commercial credit reporting agencies.

**E. ACCOUNTING RECORDS.** The holder shall follow generally accepted accounting principles or another comprehensive basis of accounting, such as the cash, modified cash, or income tax basis of accounting, in recording financial transactions. The minimum acceptable accounting system shall include:

1. Systematic internal controls and separate recording of gross receipts from each type of business conducted under this permit, separate from any other commercial or personal activity. Receipts shall be recorded daily without reduction and, if possible, deposited into a bank account. Receipt entries shall be supported by documentation such as cash register tapes, sales invoices, reservation records, and cash accounts from other sources.

2. For permits with land use fees greater than $10,000, when requested by the Forest Service, the holder at its own expense shall have its annual accounting records audited by an independent public accountant acceptable to the Forest Service.

**F. ACCESS TO ACCOUNTING RECORDS.** The holder shall make all of the accounting books and supporting records for the business activities authorized by this permit available for audit by the Forest Service or other federal agencies authorized to review Forest Service activities. The holder shall retain these records and make them available for review for five years after the end of the year they were generated, unless disposition is otherwise authorized by the Forest Service in writing.

**VI. REVOCATION, SUSPENSION, AND JERMINATION**

**A. REVOCATION AND SUSPENSION.** The authorizing officer may revoke or suspend this permit in whole or in part:

1. For noncompliance with federal, state, or local laws and regulations;
2. For noncompliance with the terms of this permit;

3. For failure of the holder to exercise the privileges granted by this permit;

4. With the consent of the holder; or

5. At the discretion of the authorized officer, for specific and compelling reasons in the public interest.

B. REVOCATION BASED ON PERFORMANCE RATING. If the holder receives an annual rating of unacceptable based on deficiencies identified but uncorrected in a mid-season review and evaluation, the Forest Service shall revoke this permit or, if it is about to expire, shall allow it to terminate.

C. NOTICE AND OPPORTUNITY TO TAKE CORRECTIVE ACTION. Prior to revocation or suspension under clause VI.A or VI.B, the authorized officer shall give the holder written notice of the grounds for the action to be taken. For purposes of revocation under clause VI.B, written notice must be given to the holder after the mid-season review and evaluation that if the identified deficiencies are not corrected, they will result in an annual rating of unacceptable, which in turn will result in revocation of the permit. Prior to revocation or suspension under clause VI.A.1, VI.A.2, or VI.A.3 or revocation under clause VI.B, the authorized officer also shall give the holder a reasonable period, not to exceed 30 days, to complete corrective action prescribed by the authorized officer. The period between the mid-season review and evaluation and the annual rating shall constitute adequate opportunity to take corrective action for purposes of revocation under clause VI.B.

D. IMMEDIATE SUSPENSION. The authorized officer may immediately suspend this permit in whole or in part when necessary to protect public health or safety or the environment. The suspension decision shall be in writing. The holder may request an on-site review with the authorized officer's supervisor of the adverse conditions prompting the suspension. The authorized officer's supervisor shall grant this request within 48 hours. Following the onsite review, the authorized officer's supervisor shall promptly affirm, modify, or cancel the suspension.

E. APPEALS AND REMEDIES. Written decisions by the authorized officer relating to administration of this permit, including annual ratings of probationary and unacceptable and revocation or suspension decisions, are subject to administrative appeal pursuant to 36 CFR Part 214, as amended. Revocation or suspension of this permit shall not give rise to any claim for damages by the holder against the Forest Service.

F. TERMINATION. This permit shall terminate when by its terms a fixed or agreed upon condition, event, or time occurs without any action by the authorized officer. Examples include but are not limited to expiration of the permit by its terms on a specified date and termination upon change of control of the business entity. Termination of this permit is not subject to administrative appeal and shall not give rise to any claim for damages by the holder against the Forest Service.

G. REMOVAL OF TEMPORARY IMPROVEMENTS. Upon revocation or termination of this permit, the holder shall remove within a reasonable time prescribed by the authorized officer all temporary Improvements, except those owned by the United States, and shall restore the site. If the holder fails to remove all temporary improvements within the prescribed period, they shall become the property of the United States and may be sold, destroyed, or otherwise disposed of without any liability to the United States. However, the holder shall remain liable for all costs associated with their removal, including costs of sale and impoundment, cleanup, and restoration of the site.

VII. MISCELLANEOUS PROVISIONS

A. MEMBERS OF CONGRESS. No member of or delegate to Congress or resident commissioner shall benefit from this permit either directly or indirectly, except to the extent the authorized use provides a general benefit to a corporation.

B. CURRENT ADDRESSES. The holder and the Forest Service shall keep each other informed of current mailing addresses, including those necessary for payment of fees.

C. SUPERSEDED PERMIT. This permit supersedes a permit designated MONTANA STATE UNIVERSITY and dated 09/01/2010.

D. SUPERIOR CLAUSES. In the event of any conflict between any of the preceding printed clauses and any subsequent clauses or any provisions in the appendices attached to this permit, the preceding printed clauses shall control.
E. Outfitter and Guide Foes • Unauthorized Use (R1-A4). Fees for any customer service days exceeding the amount authorized will be calculated at a rate one-third greater than in a previous calculation to the authorized total.

f. Emergency Rally (R1-02). The holder agrees that in the event of rescue and evacuation involving the holder and/or agents, employees, or clients engaged in the 11r.11vile; authorized herein, that the United States will not be responsible for the costs of such rescue and evacuation, and associated aid and treatment.

G. Grizzly Bear Protection (R1-X10). This special-use authorization includes land which is part of or the habitat or the grizzly bear. Therefore, in compliance with Forest Service responsibilities under the Endangered Species Act of 1973, 16 U.S.C. 1531, the following conditions apply to this special-use authorization.

1. The authorized officer may order an immediate temporary suspension of all human activities permitted by this special-use authorization if, in his/her judgment, such action is necessary to prevent confrontation or conflict between humans and grizzly bears. The holder shall immediately comply with such order. The United States shall not be liable for any consequences from such a suspension or revocation. Such suspension or revocation may be appealed to the next higher level as provided in 36 CFR 214.03.

2. The holder, his/her agents, employees, contractors and subcontractors, will comply with the requirements of the attached Grizzly Bear Management and Protection Plan, Custer Gallatin Food Storage Order (Occupancy and Use Order #01-14-11-00-02), dated 09/19/2014, in the conduct of any and all activities authorized. The authorized officer may review and revise the plan as needed.

3. The holder assumes full responsibility and shall be liable for any damage to life or property arising from the activities authorized by this special-use authorization and encounters with grizzly bears, or from suspension, revocation, or termination of this authorization.

4. Intentional or negligent acts by the holder, his/her agents, employees, contractors and subcontractors that result in injury or death of a grizzly bear will be cause for suspension or revocation of this authorization in whole or in part.

5. Failure to comply with provisions 1, 2 or 3 may result in suspension or revocation of this authorization in whole or in part, and may cause criminal action to be taken against the holder under provisions of the Endangered Species Act of 1973, as amended, or other applicable authority.

H. Annual Trip Itinerary (R1-X14). The holder shall submit annually an itinerary for the coming season. The itinerary shall include but not be limited to:

1. Service day allocation by National Forest, resource area, and service category.

2. Trip name, camp locations, trip routes, period of use, numbers of guests and employees in party, number of livestock, and the amount of supplemental feed to be provided on the National Forest authorized by this permit.

3. Estimated fees due in advance for service days, use of reserved National Forest System sites, and all transportation and livestock grazing use.

4. Signature page.

1. Forest Service R-98 insanity (R1-X16). The District Ranger, Bozeman Ranger District, Telephone No. 406-522-2520, is responsible for administering this special-use authorization. The holder should contact the District Ranger regarding any questions concerning the occupancy and use authorized by this permit.

J. Information From Holder (R1-X17). As a condition of this authorization, the holder is responsible for providing in a timely manner information necessary for determining rental fees, ownership, or other matters concerning the administration of the authorized use by the Forest Service.

Regarding the submission of such information, the holder understands that it is incumbent upon any person to know.
willfully make false, fictitious, or fraudulent statements to matters under the Jurisdiction of the United States Government (Title 18, U.S.C. SeCUO< 1001).

K. Forest Service Right of Entry and Inspection (R1-X19). The Forest Service has the right of unrestricted access to the permitted area or facility to ensure compliance with laws, regulations, and ordinances and the terms and conditions of this permit.

L. Holder Representative (R1-X20). If a managing agent/designated agent is hired, the holder is required to furnish the District Ranger with a notarized copy of the managing agent agreement. This document shall specifically authorize a certain individual to represent the holder in dealing with the Forest Service. This document must also clarify the specifics of the working relationship and limits of authority in permit matters such as signing of operating plans and applications; billings, and correspondence. The agreement must clearly not constitute a third party agreement.

N. NonDisctrimination (B-1).

1. The holder and its employees shall not discriminate against any person on the basis of race, color, sex (in educational activities), national origin, age, or disability by curtailing or refusing to furnish accommodations, facilities, services, or use privileges offered to the public generally. In addition, the holder and its employees shall comply with the specifics of Title VI of the Civil Rights Act of 1964 as amended, Section 504 of the Rehabilitation Act of 1973, as amended, Title IX of the Education Amendments of 1972, as amended, and the Age Discrimination Act of 1975, as amended.

2. The holder shall include and require compliance with the above nondiscrimination provisions in any third-party agreement made with respect to the operations authorized under this permit.

3. The Forest Service shall furnish signs that are policy of nondiscrimination. These signs shall be conspicuously displayed at the public entrance to the premises and at other exterior or interior locations, as directed by the Forest Service.

4. The Forest Service shall have the right to enforce the foregoing nondiscrimination provisions by suit for specific performance or by any other available remedy under the laws of the United States or the State in which the violation occurs.

O. Equal Access To Federal Programs (6-2).

In addition to the above nondiscrimination policy, the holder agrees to insure that its programs and activities are open to the general public on an equal basis and without regard to any non-merit factor.

P. Operating Plan for Supervision of Children (Other Than For Ski Areas) (C-14).

OPERATING PLAN. The holder shall prepare/review every 5 years an operating plan. The operating plan must be prepared in consultation with the Authorized Officer or the Authorized Officer's Designated Representative and must cover an operation authorized by this permit. The operating plan must outline the steps the holder will take to protect public health, safety, and the environment. The plan must include sufficient detail and standards to enable the Forest Service to monitor the holder's operations for compliance with the terms and conditions of this permit. The operating plan also must provide that if the holder, holder's employees, agents, or contractors learn of facts that give reason to suspect that a child under the age of 18 has suffered physical or mental injury, sexual abuse or exploitation, or negligent treatment (child abuse), the holder, holder's employees, agents, or contractors shall as soon as possible report the child abuse to the local law enforcement or child protective services agency, as designated in 28 CFR Part 81, Subpart A] and as soon as practicable thereafter to the Authorized Officer. The operating plan must include:

1. The name, address, telephone number, facsimile number, and e-mail address of the local law enforcement or child protective services agency, as designated in 28 CFR Part 81, Subpart A.

2. A schedule for providing periodic training on the signs of child abuse and the reporting requirement when child abuse is suspected.
3. A Sample for Reporting Suspected Child Abuse or Neglect and, to the extent mandated by applicable state law, the requirement for all employees who work with children under the age of 18 to undergo a criminal background check.

The operating plan and any revisions to the operating plan must be submitted by the holder and approved by the Authorized Officer prior to the commencement of operation and be attached to this permit as an appendix. The Authorized Officer may require an annual meeting with the holder to discuss the terms and conditions of the permit, operating plan, annual use reports, and any other concerns either party may have.
