

Role and Scope Choice Agreement Language

This is Language from Leslie Taylor, Legal Counsel as you can see by the signature.

Here is some proposed language to use for a template

The candidate has requested that he/she be reviewed under the revised role and scope document attached rather than the role and scope document required under the MSU Faculty Handbook.

The department committee and department head have no objection to using the attached role and scope document.

The candidate agrees that if he/she is not granted promotion/tenure, he/she waives the right to cite the use of the revised role and scope document as grounds for procedural error in any grievance that may be filed

Candidate

Department Head

Department P&T Chair.
